Entravision Communications Corporation Files 10-K for Year Ended December 31, 2020

2021-04-12

SANTA MONICA, Calif.--(BUSINESS WIRE)-- Entravision Communications Corporation (NYSE: EVC) (“Entravision or “the Company”) today announced that the Company has filed its Annual Report on Form 10-K for the fiscal year ended December 31, 2020 (the “Form 10-K”) with the Securities and Exchange Commission (the “SEC”).

Today’s announcement follows the Company’s previous notification from the New York Stock Exchange (the “NYSE”) on April 7, 2021 that the Company was not in compliance with the NYSE’s continued listing requirements under the timely filing criteria established in Section 802.01E of the NYSE Listed Company Manual (the “NYSE Rules”) as it did not file its Form 10-K with the SEC by the extended deadline provided by Rule 12b-25. Such notices are routinely sent by the NYSE when issuer SEC filings are delayed. The NYSE informed Entravision that under the NYSE Rules Entravision had six months from April 1, 2021 to file its Form 10-K with the SEC. The Company adhered to this requirement, filing its 10-K on April 12, 2021 well ahead of the six-month deadline.
