About Genco Shipping & Trading Limited

Genco Shipping & Trading Limited is a U.S. based drybulk ship owning company focused on the seaborne transportation of commodities globally. We provide a full-service logistics solution to our customers utilizing our in-house commercial operating platform, as we transport key cargoes such as iron ore, grain, steel products, bauxite, cement, and nickel ore among other commodities along worldwide shipping routes. Our wholly owned high quality, modern fleet of dry cargo vessels consists of the larger Capesize (major bulk) and the medium-sized Ultramax and Supramax vessels (minor bulk), enabling us to carry a wide range of cargoes. We may make capital expenditures from time to time in connection with vessel acquisitions. Genco’s fleet consists of 42 vessels, including 16 Capesize, 15 Ultramax and 11 Supramax vessels with an aggregate capacity of approximately 4,446,000 dwt and an average age of 12.2 years.
