

Codere Online Reports Favorable AGM Results and Changes to its Board of Directors

Luxembourg, Grand Duchy of Luxembourg, June 25, 2024 – (GLOBE NEWSWIRE) Codere Online (Nasdaq: CDRO / CDROW, the “Company”), a leading online gaming operator in Spain and Latin America, today announced the favorable resolution of all 21 agenda items at the Annual General Meeting (AGM) held yesterday at the registered office of the Company, including the appointment of three new members to its Board of Directors.

Mr. Gabriel Saenz de Buruaga, Mr. Taavi Davies and Mr. Claude Noesen have been appointed as directors for an initial term of one year, replacing Mr. Patrick Ramsey, Ms. Michal Elimelech, and Mr. Laurent Teitgen.

Mr. Gonzaga Higuero, CEO of Codere Group, was re-appointed as director and will also serve as Chairman of the Board going forward. In regards to these changes, Mr. Higuero stated “we welcome these new additions to the Board and look forward to working with them to build upon the significant progress achieved by the Company in recent years.”

Mr. Higuero further added “I would also like to extend my sincere appreciation to Pat for his valuable contribution and dedication as Chairman since Codere Online went public in 2021, and I am excited that he will be joining me in the Board of our parent company, Codere New Topco, following its recently announced recapitalization and as it looks ahead to a promising future.”

Forward-Looking Statements

Certain statements in this document may constitute "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, statements regarding Codere Online Luxembourg, S.A. and its subsidiaries (collectively, "Codere Online") or Codere Online's or its management team's expectations, hopes, beliefs, intentions or strategies regarding the future. In addition, any statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intends," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "would" and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements in this document may include, for example, statements about Codere Online's financial performance and, in particular, the potential evolution and distribution of its net gaming revenue; any prospective and illustrative financial information; and changes in Codere Online's strategy, future operations and target addressable market, financial position, estimated revenues and losses, projected costs, prospects and plans.

These forward-looking statements are based on information available as of the date of this document and current expectations, forecasts and assumptions, and involve a number of judgments, risks and uncertainties. Accordingly, forward-looking statements should not be relied upon as representing Codere Online's or its management team's views as of any subsequent date, and Codere Online does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

As a result of a number of known and unknown risks and uncertainties, Codere Online's actual results or performance may be materially different from those expressed or implied by these forward-looking statements. There may be additional risks that Codere Online does not presently know or that Codere Online currently believes are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. Some factors that could cause actual results to differ include (i) changes in applicable laws or regulations, including online gaming, privacy, data use and data protection rules and regulations as well as consumers' heightened expectations regarding proper safeguarding of their personal information, (ii) the impacts and ongoing uncertainties created by regulatory restrictions, changes in perceptions of the gaming industry, changes in policies and increased competition, and geopolitical events such as war, (iii) the ability to implement business plans, forecasts, and other expectations and identify and realize additional opportunities, (iv) the risk of downturns and the possibility of rapid change in the highly competitive industry in which Codere Online operates, (v) the risk that Codere Online and its current and future collaborators are unable to successfully develop and commercialize Codere Online's services, or experience significant delays in doing so, (vi) the risk that Codere Online may never achieve or sustain profitability, (vii) the risk that Codere Online will need to raise additional capital to execute its business plan, which may not be available on acceptable terms or at all, (viii) the risk that Codere Online experiences difficulties in managing its growth and expanding operations, (ix) the risk that third-party providers, including the Codere Group, are not able to fully and timely meet their obligations, (x) the risk that the online gaming operations will not provide the expected benefits due to, among other things, the inability to obtain or maintain online gaming licenses in the anticipated time frame or at all, (xi) the risk that Codere Online is unable to secure or protect its intellectual property, and (xii) the possibility that Codere Online may be adversely affected by other political, economic, business, and/or competitive factors. Additional information concerning certain of these and other risk factors is contained in Codere Online's filings with the U.S. Securities and Exchange Commission (the "SEC"). All subsequent written and oral forward-looking statements concerning Codere Online or other matters and attributable to Codere Online or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above.
