

Codere Online rolls out 99 Royale in Mexico in partnership with G Games

Joins G Games in Platinum Launch Partnership for 99 Royale

Mexico City, Mexico and London, United Kingdom, October 21, 2026 – (GLOBE NEWSWIRE) Codere Online (Nasdaq: CDRO / CDROW, the “Company”), a leading online gaming and sports betting operator in Spain and Latin America, today announced the launch of **99 Royale**, a first-of-its-kind multiplayer slot experience developed by G Games. Codere Online will be one of the game's inaugural platinum launch partners globally.

99 Royale introduces a battle royale-style format to the slot category, enabling up to 99 players to compete simultaneously. Successful spins award power that can be used either to strengthen a player's position or to attack opponents, creating a dynamic experience that combines traditional slot mechanics with strategy and player-versus-player interaction.

The game will initially launch on Codere Online's casino platform in Mexico, one of the Company's key markets and a jurisdiction where it has consistently been at the forefront of introducing innovative gaming experiences to players.

The launch further strengthens the Company's casino offering, which features more than 2,000 titles across its core markets, reflecting the Company's continued focus on expanding and diversifying its online entertainment portfolio.

Aviv Sher, CEO of Codere Online, said: *"We were among the first operators to recognize the potential of emerging formats such as crash games in Mexico, and we continue to look for innovative experiences that resonate with players. 99 Royale represents a truly differentiated product that combines entertainment, competition and strategy in a unique way. We're proud to be launching it from day one in Mexico and to continue bringing exciting new experiences to our customers."*

Helen Walton, Chief Commercial Officer of G Games, said: *"Codere Online recognized the potential of 99 Royale from the outset. They have consistently demonstrated a strong ability to identify and successfully introduce innovative gaming formats to their players, making them an ideal launch partner for this groundbreaking product."*

Codere Online has produced a launch video bringing the game's multiplayer battle royale experience to life. Watch the video [here](#).
