### Special information on the remuneration of the Management Board

#### Remuneration 2022

The Management Board consists of Rasmus Werner Nielsen (CEO) and, since September 2022, Anne Mette Toftegaard (Deputy CEO).

The Management Board of Alm. Brand A/S is remunerated solely by way of fixed remuneration. The remuneration of the Management Board members is intended to be commensurate with the tasks and responsibilities involved in the position and to be competitive with the remuneration of other, comparable positions in the financial sector.

The remuneration package comprises fixed remuneration and, in addition to cash remuneration, consists of share remuneration, pension contributions, a company car, free telephone and other usual remuneration components in the form of various insurance schemes, such as health insurance, group life insurance and dental insurance.

10% of the Management Board members' fixed remuneration is allotted by way of shares, such allotment being effected free of charge twice annually. The vesting and granting of the shares are not subject to any conditions, except that the vesting is conditional on continued employment. Ownership of the shares was transferred on grant. The value of the shares granted was calculated as an amount corresponding to a simple average of the average price of one share in Alm. Brand A/S quoted on the first trading day on Nasdaq OMX Copenhagen of each calendar month forming the basis of the individual share grant.

Rasmus Werner Nielsen's remuneration package totalled about DKK 12 million in 2022. No changes were made to the remuneration package in 2022. Anne Mette Toftegaard's remuneration package for the period 1 September 2022 to 31 December 2022 totalled DKK 2,980,149. In 2022, the remuneration package to the Management Board totalled DKK 14,979,520 million.

The development in the remuneration paid to the Management Board over the past few years should be seen in the light of the group's development, which has led to the formation of Alm. Brand Group, one of the largest and leading insurance groups in Denmark.

The Management Board members' other directorships held in companies forming part of Alm. Brand Group did not trigger any separate remuneration.

#### Resignation

The notice of termination applicable to the Management Board members has been agreed at a mutual notice of termination of 12 months. Furthermore, severance payments have been agreed corresponding to 12 months' remuneration in the event of termination by the company without the Management Board member having given cause for termination.

## Alm. Brand A/S – Annual Report 2022 – Governance

In the event of the Management Board member's death, Alm. Brand will pay post-service salary corresponding to three months' salary to the Management Board member's dependants.

## Den uafhængige revisors erklæring på vederlagsrapport

### Til aktionærerne i Alm. Brand A/S

Vi har efter aftale undersøgt om vederlagsrapporten for Alm. Brand A/S for perioden 1. januar – 31. december 2022 er udarbejdet i henhold til selskabslovens § 139 b, stk. 3.

Vores konklusion i erklæringen udtrykkes med begrænset sikkerhed.

### Bestyrelsens ansvar for vederlagsrapporten

Bestyrelsen har ansvaret for udarbejdelsen af vederlagsrapporten i overensstemmelse med selskabslovens § 139 b, stk. 3 og den af generalforsamlingen godkendte vederlagspolitik af 27. april 2022.

Bestyrelsen har endvidere ansvaret for den interne kontrol, som bestyrelsen anser for nødvendig for at udarbejde vederlagsrapporten uden væsentlig fejlinformation, uanset om denne skyldes besvigelser eller fejl.

### Revisors ansvar

Vores ansvar er at udtrykke en konklusion om vederlagsrapporten på grundlag af vores undersøgelser.

Vi har udført vores undersøgelser i overensstemmelse med ISAE 3000 *Andre erklæringer med sikkerhed end revision eller review af historiske finansielle oplysninger* og yderligere krav ifølge dansk revisorlovgivning med henblik på at opnå begrænset sikkerhed for vores konklusion.

EY Godkendt Revisionspartnerselskab er underlagt international standard om kvalitetsstyring, ISQC 1, og anvender således et omfattende kvalitetsstyringssystem, herunder dokumenterede politikker og procedurer vedrørende overholdelse af etiske krav, faglige standarder og gældende krav i lov og øvrig regulering.

Vi har overholdt kravene til uafhængighed og andre etiske krav i International Ethics Standards Board for Accountants' internationale retningslinjer for revisors etiske adfærd (IESBA Code), der bygger på de grundlæggende principper om integritet, objektivitet, professionel kompetence og fornøden omhu, fortrolighed og professionel adfærd, samt etiske krav gældende i Danmark.

Som led i vores undersøgelser har vi udført følgende handlinger:

- Vi har undersøgt, om vederlagsrapporten indeholder de oplysninger, som er krævet i henhold til selskabslovens §139 b, stk. 3, punkt 1-6 om aflønning af hvert enkelt medlem af bestyrelse og direktion.

- Vi har stikprøvevis afstemt oplysninger vedrørende Alm. Brand A/S' økonomiske resultat indeholdt i vederlagsrapporten til hoved- og nøgletalsoversigten samt øvrige regnskabsoplysninger i henhold til årsrapporten for regnskabsåret 2022.

Det er vores opfattelse, at de udførte undersøgelser giver et tilstrækkeligt grundlag for vores konklusion.

Omfanget af de handlinger, vi har udført ved vores undersøgelser, er mindre end ved en erklæringsopgave med høj grad af sikkerhed. Som følge heraf er den grad af sikkerhed, der er for vores konklusion, betydeligt mindre end den sikkerhed, der ville være opnået, hvis der var udført en erklæringsopgave med høj grad af sikkerhed.
