Other restrictions may apply, and each investor must ensure compliance with local laws and regulations applicable at their own cost and expense.

## **MIFID II product governance / professional investors and eligible counterparties only target market**

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the DKK [●] Floating Rate Subordinated Callable Tier 2 Capital Notes (in Danish: *kapitalbeviser*) (the "**Notes**") has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended) ("**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration each manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

### **Prohibition of Sales to United Kingdom Retail Investors**

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"); or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook ("**DISC**") for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the UK may be unlawful under DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

5.2 A Noteholder (whether registered as such or proven to the satisfaction of the chairperson of the Noteholders’ meeting or the Issuer, as applicable, to be the beneficial owner of the Note as set out in Condition 5.1) may issue one or more powers of attorney to third parties to represent it in relation to some or all of the Notes held or beneficially owned by such Noteholder. The chairperson of the Noteholders’ meeting or the Issuer, as applicable, shall only have to examine the face of a power of attorney or similar evidence of authorisation that has been provided to it pursuant to this Condition 5 and may assume that it is in full force and effect, unless otherwise apparent from its face or the chairperson of the Noteholders’ meeting or the Issuer, as applicable, has actual knowledge to the contrary.

#### **6 Transfer of Notes**

The Notes are freely transferable in accordance with the rules and procedures for the time being of the Securities Depository and Danish law, but the Noteholders may be subject to purchase or transfer restrictions with regard to the Notes pursuant to Condition 5.2 or under laws to which a Noteholder may be subject. Each Noteholder must ensure compliance with such restrictions at its own cost and expense.

- 7 Status of the Notes, etc.**
- 7.1 Status of the Notes
- 7.1.1 The Notes on issue constitute Tier 2 Own Funds of the Solvency II Group under the Relevant Rules.
- 7.1.2 The Notes constitute direct, unsecured and subordinated obligations of the Issuer, and rank, and shall, subject to (i) the Danish implementation of the last paragraph of Article 38(1) of the IRRD and (ii) any other statutorily prescribed ranking implemented under Danish law applicable to the Notes irrespective of their contractual ranking that enters into force and application after the Issue Date, at all times rank:
- (a) senior to payments to holders of present or future outstanding Junior Obligations of the Issuer;
  - (b) *pari passu* without any preference among themselves;
  - (c) *pari passu* with payments to holders of present or future outstanding Parity Obligations of the Issuer;
  - (d) junior to payments to holders of present or future outstanding instruments of the Issuer that rank or are expressed to rank as Tier 3 Own Funds; and
  - (e) junior to present or future claims of:
    - (i) any policyholders and beneficiaries and any other unsubordinated creditors of the Issuer; and
    - (ii) creditors in respect of any other obligations or instruments of the Issuer that rank or are expressed to rank senior to the Notes.
- 7.2 No right of set-off, netting or counterclaim
- 7.2.1 No Noteholder, who shall be indebted to the Issuer, shall be entitled to exercise any right of set-off, netting or counterclaim against money owed by the Issuer in respect of the Notes held by such Noteholder.
- 7.2.2 To the extent that any Noteholder nevertheless claims a right of set-off, netting or counterclaim in respect of any such amount, whether by operation of law or otherwise, and irrespective of whether the set-off, netting or counterclaim is effective under any applicable law, if the Noteholder receives or recovers any sum or the benefit of any sum in respect of any Note by virtue of such set-off, netting or counterclaim, such Noteholder is required to immediately transfer to the Issuer an amount equal to the amount which purportedly has been set-off, netted or counterclaimed.
- 7.3 Future issues
- The Issuer reserves the right in the future to issue other notes or instruments, with identical or other ranking than the Notes.

## 8 Interest

This Condition 8 is subject to Condition 9 (*Screen Rate discontinuation*) and Condition 10 (*Interest deferral*).

### 8.1 Interest Rate

(a) The interest rate in respect of the Notes for each Interest Period (the “**Interest Rate**”) shall be the rate per annum which is the aggregate of:

- (i) the applicable Screen Rate; and
- (ii) the Margin.

(b) If the Screen Rate is unavailable, the VP Agent will request each of the Reference Banks to provide the VP Agent with:

- (i) (other than where paragraph (ii) below applies) the rate at which the relevant Reference Bank is willing to lend amounts in DKK for 3 months without collateral to other banks active on the Danish money market; or
- (ii) if different, the rate (if any and applied to the relevant Reference Bank and the relevant period) which contributors to the Screen Rate are asked to submit to the relevant administrator,

in each case at approximately 11.00 a.m. (Copenhagen time) on the second Copenhagen business day prior to the start of each Interest Period.

(c) If at least two of the Reference Banks provide such rates, the Interest Rate shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) as established by the VP Agent of such rates, plus the Margin. If fewer than two rates are provided as requested, the Interest Rate for that Interest Period will be the arithmetic mean of the rates quoted by major banks in Denmark selected by the VP Agent, at approximately 11.00 a.m. (Copenhagen time) on the first day of such Interest Period for loans in DKK to leading Danish banks for a period of 3 months commencing on the first day of such Interest Period and for a Representative Amount, plus the Margin.

(d) If the Interest Rate cannot be determined in accordance with the above provisions, the Interest Rate shall be the Interest Rate applicable to the preceding Interest Period, all as determined by the VP Agent.

(e) The Interest Rate cannot in any event be less than zero.

(f) Each Note bears interest on its Outstanding Principal Amount at the applicable Interest Rate from (and including) the Issue Date in accordance with the provisions of this Condition 8.

(g) Interest shall be payable on the Notes quarterly in arrear on each Interest Payment Date, in each case as provided in this Condition 8.

- (h) In respect of each Interest Period, the amount of interest payable shall be equal to the product of the Outstanding Principal Amount and the Interest Rate and the Day Count Fraction.
- (i) The Interest Payment to each Noteholder shall be rounded to the nearest DKK 0.01 (up or down in accordance with the rules and procedures of the Securities Depository from time to time).

In these Conditions, “**Day Count Fraction**” means, in respect of any relevant period, the actual number of days in the period from and including the date from which interest begins to accrue to but excluding the date on which it falls due divided by 360 (Actual/360).

#### 8.2 Interest accrual

Without prejudice to Condition 10 (*Interest deferral*), interest shall cease to accrue on each Note from (and including) the date of redemption thereof pursuant to Condition 11 (*Redemption, substitution, variation and purchase*) unless payment is improperly withheld, in which event interest shall continue to accrue.

#### 8.3 Determination of the Interest Rate

Subject as provided in Condition 8.1 (*Interest Rate*), the VP Agent will, as soon as practicable after 11:00 a.m. (Copenhagen time) on the second Copenhagen business day prior to the start of each Interest Period (each an “**Interest Determination Date**”), determine the applicable Interest Rate in respect of such Interest Period and notify the Issuer thereof.

#### 8.4 Publication of the Interest Rate

The Issuer shall cause notice of the Interest Rate to be given to the Noteholders in accordance with Condition 16 (*Notices*) as soon as reasonably practicable after the determination of such Interest Rate in accordance with Condition 8.3 (*Determination of the Interest Rate*) and in any event no later than the commencement of the relevant Interest Period.

#### 8.5 Determinations of Interest Rate binding

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 8 by the VP Agent and the Issuer, shall (in the absence of manifest error or wilful default) be binding on the Issuer, the VP Agent and all Noteholders and (in the absence of wilful default and gross negligence) no liability to the Noteholders shall attach to the Issuer or the VP Agent in connection with the exercise or non-exercise by it of any of its powers, duties and discretions.

### 9 Screen Rate discontinuation

#### 9.1 Appointment of Independent Advisor

- (a) If a Screen Rate Event occurs, the Issuer shall use reasonable endeavours to appoint, as soon as reasonably practicable, an Independent Advisor to determine, no later than five Business Days prior to the relevant Interest Determination Date in relation to the next succeeding Interest Period (the “**Screen Rate Determination Date**”), a Successor Screen Rate or, if there is no Successor

Screen Rate, an Alternative Screen Rate for purposes of determining the Screen Rate for the next succeeding Interest Period.

- (b) If the Issuer is unable to appoint an Independent Advisor, or the Independent Advisor appointed by it fails to determine a Successor Screen Rate or an Alternative Screen Rate prior to a Screen Rate Determination Date, the Issuer (acting in good faith) may determine a Successor Screen Rate or, if there is no Successor Screen Rate, an Alternative Screen Rate, to constitute the Screen Rate for the next succeeding Interest Period.
- (c) An Independent Advisor appointed pursuant to this Condition 9.1 shall act in good faith and (in the absence of manifest error or wilful default) shall have no liability whatsoever to the VP Agent or the Noteholders for any determination made by the Independent Advisor or advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 9.1.

#### 9.2 Screen Rate replacement

- (a) If a Successor Screen Rate or an Alternative Screen Rate is determined in accordance with Condition 9.1 (*Appointment of Independent Advisor*), that Successor Screen Rate or Alternative Screen Rate shall be the Screen Rate for each of the future Interest Periods (subject to the subsequent operation of, and to adjustment as provided in, this Condition 9), provided, however, that if paragraph (b) of Condition 9.1 (*Appointment of Independent Advisor*) applies and the Issuer is unable to or does not determine a Successor Screen Rate or an Alternative Screen Rate prior to the relevant Screen Rate Determination Date, the Screen Rate applicable to the next succeeding Interest Period shall be equal to the Screen Rate last determined for the preceding Interest Period.
- (b) If an Independent Advisor (in consultation with the Issuer) or the Issuer, determines that an Adjustment Spread is required to be applied to the Successor Screen Rate or the Alternative Screen Rate and such Adjustment Spread is determined by the Independent Advisor or the Issuer, that Adjustment Spread shall be applied.

#### 9.3 Screen Rate Amendments

- (a) If the Independent Advisor or if the Issuer determines a Successor Screen Rate or an Alternative Screen Rate in accordance with Conditions 9.1 (*Appointment of Independent Advisor*) and 9.2 (*Screen Rate replacement*), the Independent Advisor or the Issuer, may also specify changes to these Conditions in order to follow market practice in relation to the relevant Successor Screen Rate or Alternative Screen Rate.
- (b) The Issuer and the VP Agent shall, at the request and expense of the Issuer, but subject to receipt by the VP Agent of the certificate referred to in paragraph (a) of Condition 9.4 (*Notice of Screen Rate replacement*), without the requirement for any consent or approval of the Noteholders, effect such amendments to these Conditions as may be required by the Issuer in order to give effect to this Condition 9 (“**Screen Rate Amendments**”). The VP Agent shall however not be obliged to concur if in the opinion of the VP Agent (acting reasonably), doing so would impose

more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the VP Agent in these Conditions.

#### 9.4 Notice of Screen Rate replacement

- (a) The Issuer shall promptly, following the determination of any Successor Screen Rate or Alternative Screen Rate, any Adjustment Spread and any Screen Rate Amendments, give notice thereof to the VP Agent and the Noteholders in accordance with Condition 16 (*Notices*). No later than giving the VP Agent such notice, the Issuer shall deliver to the VP Agent a certificate signed by two authorised signatories of the Issuer:
  - (i) confirming (A) that a Screen Rate Event has occurred, (B) the relevant Successor Screen Rate or Alternative Screen Rate, (C) any Adjustment Spread and (D) any Screen Rate Amendments, in each case as determined in accordance with the provisions of this Condition 9; and
  - (ii) certifying that the Screen Rate Amendments are necessary to ensure the proper operation of such Successor Screen Rate or Alternative Screen Rate.
- (b) The VP Agent shall be entitled to rely on a certificate as referred to in paragraph (a) above without further enquiry and without liability to any person. The Successor Screen Rate or Alternative Screen Rate, any Adjustment Spread and any Screen Rate Amendments specified in such certificate will, notwithstanding Condition 17 (*Meetings of Noteholders, modification, waiver and authorisation*), be binding on the Issuer, the VP Agent and the Noteholders.

#### 9.5 General

- (a) Any determination to be made by or any changes to these Conditions to be specified by the Independent Advisor or the Issuer in accordance with the provisions of this Condition 9 shall at all times be made by such Independent Advisor or the Issuer acting in good faith, provided that the determination of any Successor Screen Rate or Alternative Screen Rate, and any other related changes to these Conditions, (A) shall be made in accordance with the Relevant Rules, (B) shall be subject to the Regulatory Clearance Condition and (C) shall not be made if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as Tier 2 Own Funds.
- (b) Without prejudice to the obligations of the Issuer under this Condition 9 and, for the avoidance of doubt, subject to the subsequent operation of, and adjustment as provided in, this Condition 9, the Interest Rate for the next Interest Period shall be determined by reference to the operation of the fallback provisions of Conditions 8.1(b), 8.1(c) and 8.1(d), if the Independent Advisor or the Issuer, following consultation with the Independent Advisor, is unable to or does not determine a Successor Screen Rate or an Alternative Screen Rate in accordance with this Condition 9.

## 10 Interest deferral

### 10.1 Optional deferral of Interest Payment

The Issuer may elect to defer an Interest Payment (in full but not in part) on the Notes on any Optional Interest Payment Date in which case the relevant Interest Payment shall not fall due on that Interest Payment Date and the Issuer shall have no obligation to make such payment on that date.

### 10.2 Mandatory deferral of Interest Payments

Save as otherwise permitted pursuant to Condition 10.3 (*Waiver of deferral of Interest Payments by Relevant Regulator*), the Issuer shall defer any Interest Payment on the Notes in accordance with this Condition 10 if:

- (a) there is on the relevant Interest Payment Date non-compliance with the Solvency Capital Requirement (or the Minimum Capital Requirement where non-compliance with the Minimum Capital Requirement occurs before non-compliance with the Solvency Capital Requirement), or such Interest Payment would lead to non-compliance with the Solvency Capital Requirement (or the Minimum Capital Requirement where non-compliance with the Minimum Capital Requirement occurs before non-compliance with the Solvency Capital Requirement); or
- (b) the Issuer is otherwise required by the Relevant Regulator or under the Relevant Rules (on the basis that the Notes are intended to qualify as Tier 2 Own Funds) to defer the relevant Interest Payment,

each of the events or circumstances described in paragraphs (a) and (b) above being a “**Mandatory Interest Deferral Event**” and any Interest Payment Date on which a Mandatory Interest Deferral Event is continuing being a “**Mandatory Interest Deferral Date**”.

### 10.3 Waiver of deferral of Interest Payments by Relevant Regulator

Notwithstanding Condition 10.2 (*Mandatory deferral of Interest Payments*), the Issuer shall not be required to defer an Interest Payment where a Mandatory Interest Deferral Event has occurred and is continuing, or would occur if payment of interest on the Notes were to be made (to the extent permitted by the Relevant Rules), where:

- (a) the Relevant Regulator has exceptionally waived the deferral of the Interest Payment;
- (b) the Interest Payment would not further weaken the solvency position of the Issuer and/or the Solvency II Group (and, if at that time required by the Relevant Rules, the Relevant Regulator has confirmed to the Issuer that it is satisfied that payment of the Interest Payment would not further weaken the solvency position of the Issuer and/or the Solvency II Group); and
- (c) the Minimum Capital Requirement will be complied with immediately following such Interest Payment, if made.

- 10.4 Deferral of Interest Payments not a default  
Any Interest Payment (or relevant part thereof) which is deferred in accordance with this Condition 10 (a “**Deferred Interest Payment**”) shall not become due on the scheduled Interest Payment Date and any such deferral or non-payment shall not constitute a default or event of default on the part of the Issuer for any purpose.
- 10.5 Effect of deferral of Interest Payments  
Any Deferred Interest Payment, together with any other interest in respect of the Notes not paid on an earlier Interest Payment Date in accordance with these Conditions shall, so long as the same remains unpaid, constitute “**Arrears of Interest**”. Arrears of Interest shall not themselves bear interest.
- 10.6 Payment of Arrears of Interest
- 10.6.1 Voluntary Payment at the Option of the Issuer  
Subject to a Mandatory Interest Deferral Event not having occurred and being continuing (or if a Mandatory Interest Deferral Event has occurred and is then continuing, to deferral of payment of Arrears of Interest at that time being waived pursuant to Condition 10.3 (*Waiver of deferral of Interest Payments by Relevant Regulator*)) and to such payment not causing a Mandatory Interest Deferral Event, Arrears of Interest may be paid at the option of the Issuer in whole (or in part) at any time at its discretion.

If the Issuer elects to pay any Arrears of Interest in part:

- (a) Arrears of Interest accrued for any period shall not be payable until full payment has been made of all Arrears of Interest that have accrued during any earlier period; and
- (b) the amount of Arrears of Interest payable in respect of any Note in respect of any period shall be made pro rata to the total amount of all unpaid Arrears of Interest accrued in respect of that period.
- 10.6.2 Mandatory payment  
Subject to the Regulatory Clearance Condition, the Issuer shall pay any Arrears of Interest (in whole but not only in part) on the first to occur of the following dates (the “**specified date**”):
- (a) the next Interest Payment Date on which an Interest Payment is made;
- (b) the next Interest Payment Date if payment (of interest or other distribution) has been made or declared on any Parity Obligations in any reoccurring period from and including the latest Interest Payment Date on which an Interest Payment was deferred and until and including such next following Interest Payment Date, unless the terms governing such Parity Obligations do not allow the Issuer to defer the relevant interest or other distribution otherwise payable or to be declared;
- (c) the date on which the Notes are redeemed or repaid in accordance with Condition 11 (*Redemption, substitution, variation and purchase*); or

(d) the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Issuer,

provided in respect of paragraphs (a) and (b) above that a Mandatory Interest Deferral Event has not occurred and is continuing on the specified date (or if a Mandatory Interest Deferral Event has occurred and is then continuing, to deferral being waived pursuant to Condition 10.3 (*Waiver of deferral of Interest Payments by Relevant Regulator*)).

10.7 Notice of deferral of Interest Payments

The Issuer shall give not less than five nor more than 30 Business Days' prior notice to Noteholders in accordance with Condition 16 (*Notices*):

(a) of any deferral of an Interest Payment pursuant to this Condition 10, provided that:

(i) if a Mandatory Interest Deferral Date occurs less than five Business Days before the relevant Interest Payment Date, the Issuer shall give such notice as soon as practicable under the circumstances on or before the relevant Interest Payment Date; and

(ii) any delay in giving such notice shall not result in such Interest Payment (in part or in full) falling due on the relevant Interest Payment Date; and

(b) of any date upon which amounts in respect of Arrears of Interest are to be paid, which notice shall specify the Business Day on which such Arrears of Interest (or part thereof) will (subject to Condition 10.6 (*Payment of Arrears of Interest*)) be settled, provided that any delay in giving such notice shall not result in the relevant Arrears of Interest (in part or in full) falling due as a result of such delay.

**11 Redemption, substitution, variation and purchase**

11.1 Scheduled redemption

Subject to Condition 11.2 (*Conditions to redemption and purchase*), unless previously redeemed or purchased and cancelled, the Notes will on the Maturity Date be redeemed in whole but not in part at their Outstanding Principal Amount together with Arrears of Interest (if any) and any other accrued interest up to (but excluding) the Maturity Date.

11.2 Conditions to redemption and purchase

11.2.1 To the extent required pursuant to the Relevant Rules from time to time, and save as otherwise permitted pursuant to Condition 11.3 (*Waiver of Redemption and Purchase Conditions relating to Solvency Capital Requirement by Relevant Regulator*), the Issuer may not redeem or purchase any Notes unless each of the following conditions are satisfied:

(a) in respect of any redemption or purchase of the Notes pursuant to Condition 11.8 (*Redemption, substitution or variation at the option of the Issuer for taxation reasons*) or Condition 11.9 (*Redemption, substitution or variation at the option of the Issuer due to a Capital Disqualification Event*) occurring on or before the fifth anniversary of the Issue Date:

- (i) the Solvency Capital Requirement will be exceeded by an appropriate margin immediately after such redemption or purchase (and, if at that time required by the Relevant Rules, the Relevant Regulator has confirmed to the Issuer that it is satisfied that the Solvency Capital Requirement will be exceeded by an appropriate margin immediately after such redemption or purchase); and
  - (A) in the case of any such redemption or purchase of the Notes pursuant to Condition 11.8 (*Redemption, substitution or variation at the option of the Issuer for taxation reasons*), the Issuer having demonstrated to the satisfaction of the Relevant Regulator that the applicable change in tax treatment is material and was not reasonably foreseeable as at the Issue Date; or
  - (B) in the case of any such redemption or purchase of the Notes pursuant to Condition 11.9 (*Redemption, substitution or variation at the option of the Issuer due to a Capital Disqualification Event*) the Relevant Regulator considering that the relevant change in the regulatory classification of the Notes is sufficiently certain and the Issuer having demonstrated to the satisfaction of the Relevant Regulator that such change was not reasonably foreseeable as at the Issue Date; or
- (ii) such redemption or purchase is funded out of the proceeds of a new issuance of, or the Notes are exchanged into, Own Funds of the same or a higher quality than the Notes;
- (b) the relevant date of any redemption or purchase of the Notes pursuant to Condition 11.10 (*Redemption, substitution or variation at the option of the Issuer due to a Rating Agency Event*) or Condition 11.12 (*Purchases*) is after the fifth anniversary of the Issue Date unless such redemption or purchase is funded out of the proceeds of a new issuance of, or the Notes are exchanged into, Own Funds of the same or a higher quality than the Notes;
- (c) the Solvency Capital Requirement is met immediately prior to the redemption or purchase of the Notes (as applicable) and the redemption or purchase (as applicable) would not cause the Solvency Capital Requirement to be breached;
- (d) the Minimum Capital Requirement is met immediately prior to the redemption or purchase of the Notes (as applicable) and the redemption or purchase (as applicable) would not cause the Minimum Capital Requirement to be breached;
- (e) no Insolvent Insurer Winding-up has occurred and is continuing;
- (f) the Regulatory Clearance Condition is satisfied; and
- (g) any other requirements or pre-conditions to which the Issuer is otherwise subject and which may be imposed by the Relevant Regulator or the Relevant Rules (on the basis that the Notes are intended to qualify as Tier 2 Own Funds) have been complied with (and shall continue to be complied with following the proposed redemption or purchase).

- 11.2.2 If, on the proposed date for redemption of the Notes, the Redemption and Purchase Conditions are not met, redemption of the Notes shall instead be suspended and such redemption shall occur only in accordance with Condition 11.4 (*Suspension of redemption*).
- 11.3 Waiver of Redemption and Purchase Conditions relating to Solvency Capital Requirement by Relevant Regulator
- (a) Notwithstanding Condition 11.2 (*Conditions to redemption and purchase*), the Issuer shall be entitled to redeem the Notes (to the extent permitted by the Relevant Rules) where:
- (i) all Redemption and Purchase Conditions are met other than that described in paragraph (c) of Condition 11.2.1;
  - (ii) the Relevant Regulator has exceptionally waived the suspension of repayment or redemption of the Notes;
  - (iii) all (but not some only) of the Notes are exchanged for a new issue of Tier 1 Own Funds or Tier 2 Own Funds of the same or higher quality than the Notes; and
  - (iv) the Minimum Capital Requirement will be complied with immediately following such redemption, if made.
- 11.4 Suspension of redemption
- (a) The Issuer shall notify the Noteholders in accordance with Condition 16 (*Notices*) no later than five Business Days prior to any date set for redemption of the Notes if such redemption is to be suspended in accordance with this Condition 11.4, provided that if an event occurs less than five Business Days prior to the date set for redemption that results in the Redemption and Purchase Conditions ceasing to be met, the Issuer shall notify the Noteholders in accordance with Condition 16 (*Notices*) as soon as reasonably practicable following the occurrence of such event.
- (b) If redemption of the Notes does not occur on the date specified in the notice of redemption by the Issuer under Condition 11.6 (*Redemption at the option of the Issuer*), Condition 11.7 (*Clean up redemption at the option of the Issuer*), Condition 11.8 (*Redemption, substitution or variation at the option of the Issuer for taxation reasons*), Condition 11.9 (*Redemption, substitution or variation at the option of the Issuer due to a Capital Disqualification Event*) or Condition 11.10 (*Redemption, substitution or variation at the option of the Issuer due to a Rating Agency Event*) as a result of the operation of Condition 11.2 (*Conditions to redemption and purchase*), the Issuer shall redeem such Notes at their then Outstanding Principal Amount together with any accrued and unpaid interest to (but excluding) the date of redemption and any Arrears of Interest, upon the earlier of:
- (i) the date falling ten Business Days after the date on which the Redemption and Purchase Conditions are met or redemption of the Notes is otherwise permitted pursuant to Condition 11.3 (*Waiver of Redemption and Purchase Conditions*

*relating to Solvency Capital Requirement by Relevant Regulator*) (unless on such tenth Business Day redemption of the Notes on such date would result in the Redemption and Purchase Conditions ceasing to be met, in which case the provisions of Condition 11.2 (*Conditions to redemption and purchase*) and this paragraph (i) will apply mutatis mutandis to determine the rescheduled due date for redemption of the Notes); or

(ii) the date on which an effective resolution is passed for a liquidation or bankruptcy of the Issuer.

(c) The Issuer shall notify the Noteholders in accordance with Condition 16 (*Notices*) no later than five Business Days prior to any such date set for redemption pursuant to paragraphs (b)(i) or (b)(ii) above.

11.5 Suspension of redemption not a default

Notwithstanding any other provision in these Conditions, the suspension of redemption of the Notes in accordance with Condition 11.2 (*Conditions to redemption and purchase*) and Condition 11.4 (*Suspension of redemption*) will not constitute a default by the Issuer and will not give Noteholders any right to accelerate the Notes such that amounts of principal, interest or Arrears of Interest would become due and payable on the Notes earlier than otherwise scheduled under these Conditions.

11.6 Redemption at the option of the Issuer

(a) Provided that the Redemption and Purchase Conditions are met, the Issuer may, having given:

(i) not less than 15 nor more than 60 days' notice to the Noteholders in accordance with Condition 16 (*Notices*) (which notice shall (save as provided in Condition 11.14 (*Notices final*)) be irrevocable and shall specify the date fixed for redemption); and

(ii) notice to the VP Agent on the earlier of (A) not less than three days before the giving of the notice referred to in paragraph (i) above, and (B) not less than 15 days before the date fixed for redemption,

redeem all (but not some only) of the Notes, on any Optional Redemption Date at their then Outstanding Principal Amount together with any accrued and unpaid interest to (but excluding) the date of redemption and any Arrears of Interest.

11.7 Clean up redemption at the option of the Issuer

(a) Provided that the Redemption and Purchase Conditions are met, and if the aggregate outstanding nominal amount of the Notes is 25 per cent. or less than the Initial Principal Amount, the Issuer may, having given:

(i) not less than 15 nor more than 60 days' notice to the Noteholders in accordance with Condition 16 (*Notices*) (which notice shall (save as provided in Condition 11.14 (*Notices final*)) be irrevocable and shall specify the date fixed for redemption); and

- (ii) notice to the VP Agent on the earlier of (A) not less than three days before the giving of the notice referred to in paragraph (i) above, and (B) not less than 15 days before the date fixed for redemption,

redeem all (but not some only) of the Notes, at their then Outstanding Principal Amount together with any accrued and unpaid interest to (but excluding) the date of redemption and any Arrears of Interest.

- (b) For the avoidance of doubt, the calculation described in Condition 11.7(a) shall not take into account any adjustment to the aggregate outstanding principal amount outstanding pursuant to the final paragraph of the definition of Outstanding Principal Amount.

11.8 Redemption, substitution or variation at the option of the Issuer for taxation reasons

- (a) Provided that the Redemption and Purchase Conditions are met, and subject to Condition 11.11 (*Preconditions to redemption, substitution or variation for taxation reasons, Capital Disqualification Event or Rating Agency Event*), if

- (i) as a result of any change in, or amendment to, the laws or regulations of a Relevant Jurisdiction, or any change in the application or official interpretation of the laws or regulations of a Relevant Jurisdiction (a “**Tax Event**”), which change or amendment becomes effective after the Issue Date, on the next Interest Payment Date either:

- (A) the Issuer would be required to pay Additional Amounts; or

- (B) the Issuer would no longer be able to obtain a tax deduction for the purposes of Danish tax law for any payment of interest under the Notes, and,

- (ii) the effect of the foregoing cannot be avoided by the Issuer taking reasonable measures available to it,

the Issuer may at its option (without any requirement for the consent or approval of the *Noteholders*) and having given not less than 15 nor more than 60 days’ notice in writing to the VP Agent and, in accordance with Condition 16 (*Notices*), the *Noteholders* (which notice shall (save as provided in Condition 11.14 (*Notices final*)) be irrevocable) either (at its sole discretion):

- (1) redeem all (but not some only) of the Notes, on any Interest Payment Date at their then Outstanding Principal Amount together with any accrued and unpaid interest to (but excluding) the date of redemption and any Arrears of Interest provided that no such notice of redemption shall be given earlier than 60 days prior to the earliest date on which:

- (A) with respect to paragraph (i)(A) above, the Issuer would be obliged to pay such Additional Amounts; and

- (B) with respect to paragraph (i)(B) above, the payment of interest would no longer be deductible by the Issuer for Danish tax purposes, in each case were a payment in respect of the Notes then due; or
- (2) substitute at any time all (but not some only) of the Notes for, or amend or vary the terms of the Notes so that they become or remain, Qualifying Tier 2 Notes.
- 11.9 Redemption, substitution or variation at the option of the Issuer due to a Capital Disqualification Event
- (a) Provided that the Redemption and Purchase Conditions are met, and subject to Condition 11.11 (*Preconditions to redemption, substitution or variation for taxation reasons, Capital Disqualification Event or Rating Agency Event*), if at any time a Capital Disqualification Event has occurred and is continuing, or, as a result of any change in, or amendment to, or any change in the application or official interpretation of, any applicable law, regulation or other official publication, a Capital Disqualification Event will occur within the forthcoming period of six months, the Issuer may, having given not less than 15 nor more than 60 days' notice to the Noteholders in accordance with Condition 16 (*Notices*), and the VP Agent in writing, which notice must be given during the Notice Period and shall (save as provided in Condition 11.14 (*Notices final*)) be irrevocable, either (at its sole discretion):
- (i) redeem all (but not some only) of the Notes on any Interest Payment Date at their then Outstanding Principal Amount together with any accrued and unpaid interest to (but excluding) the date of redemption and any Arrears of Interest; or
- (ii) substitute at any time all (but not some only) of the Notes for, or amend or vary the terms of the Notes so that they become or remain, Qualifying Tier 2 Notes.
- (b) For the purposes of this Condition 11.9, “**Notice Period**” means the period commencing on the date on which the relevant Capital Disqualification Event first occurs (or, as applicable, the date on which the Issuer certifies that the same will occur within a period of six months) and ending on the thirtieth calendar day following satisfaction of the Regulatory Clearance Condition in respect of the redemption, substitution or variation which is the subject of the notice to which the Notice Period relates.
- 11.10 Redemption, substitution or variation at the option of the Issuer due to a Rating Agency Event
- (a) Provided that the Redemption and Purchase Conditions are met, and subject to Condition 11.11 (*Preconditions to redemption, substitution or variation for taxation reasons, Capital Disqualification Event or Rating Agency Event*), if at any time a Rating Agency Event has occurred and is continuing, or, as a result of any change in, or amendment to, or any change in the application or interpretation of, the methodology of the Rating Agency, a Rating Agency Event will occur within the forthcoming period of six months, the Issuer may, having given not less than
