Albertsons Companies Voluntarily Recalls 59 Store-Made Items Containing Pico de Gallo Made with Recalled Jalapeños Following a Supplier Recall Due to Possible *Salmonella* Contamination

Following a supplier-initiated recall by Ron's Home Style Foods, Albertsons Companies has voluntarily recalled 59 store-made items due to possible salmonella contamination. The affected products contain Pico De Gallo made with jalapeños that were recalled in association with the ongoing [FDA recall](#) involving Coast Citrus Distributors.

Salmonella is an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy people infected with Salmonella often experience fever, diarrhea, nausea, vomiting and abdominal pain.

Consumers who have purchased these items are urged not to consume these products and to dispose of them or return the items to their local store for a full refund. Anyone concerned about an injury or illness should contact a healthcare provider.

The store-made items were available for purchase at the following stores: Amigos, Albertsons Market, Market Street and United stores in New Mexico and Texas.

Consumers with questions should contact Albertsons Companies' Customer Service Center at 1-877-723-3929 Monday through Friday from 5 a.m. to 9 p.m. PST.
