

Silgan Holdings Increases Size of Its Board of Directors and Elects Kimberly A. Fields as a Member of Its Board of Directors

July 1, 2019

STAMFORD, Conn.--(BUSINESS WIRE)--Jul. 1, 2019-- Silgan Holdings Inc. (Nasdaq:SLGN), a leading supplier of rigid packaging for consumer goods products, announced today that its Board of Directors approved an increase in the number of Directors constituting the Board of Directors of the Company from seven to eight members in accordance with its Amended and Restated Certificate of Incorporation, as amended, and elected Kimberly A. Fields as a member of the Board of Directors of the Company to fill the resulting vacancy. Ms. Fields will serve as a Class I Director of the Company, with the term of her position running until the annual meeting of stockholders of the Company in 2022.

Ms. Fields, 49, brings more than 26 years of business experience to the Company. Ms. Fields currently serves as Executive Vice President for the Flat Rolled Products Group of Allegheny Technologies Incorporated (NYSE:ATI), a global manufacturer of technically advanced specialty materials and complex components including stainless-steel sheet, specialty plate and specialty coil. Previously, Ms. Fields was Group President for IDEX Corporation, a global company that develops, designs and manufactures fluidics systems and specialty engineered products, from July 2015 until April 2019. Ms. Fields joined IDEX Corporation in April 2014 as President, Specialty Compression and GAST Manufacturing. Prior to that, Ms. Fields was Executive Vice President for the Flat Products Group at Evraz North America, Inc., a global vertically integrated steel making and mining company, since September 2011. Ms. Fields has extensive manufacturing leadership experience, having also held leadership positions in operations, business development and engineering at General Electric Company, Alcoa, Inc., Metalspectrum, LLC, Boston Consulting Group and Owens Corning.
