Frontier Oil Declares Cash Dividend

HOUSTON, Sep 11, 2009 (BUSINESS WIRE) -- The Board of Directors of Frontier Oil Corporation (NYSE:FTO) declared a regular quarterly cash dividend on the Company's common stock of \$0.06 per share (\$0.24 annualized). The dividend is payable October 14, 2009 to shareholders of record as of the close of business on September 25, 2009.

Frontier operates a 130,000 barrel-per-day refinery located in El Dorado, Kansas, and a 52,000 barrel-per-day refinery located in Cheyenne, Wyoming, and markets its refined products principally along the eastern slope of the Rocky Mountains and in other neighboring plains states. Information about the Company may be found on its web site www.frontieroil.com.
