### **Forward-Looking Statements**

This press release includes forward-looking statements as that term is defined by the federal securities laws, including statements concerning our business plans and strategy, projected profitability, performance or cash flows, future capital expenditures, our growth strategy, including our ability to grow organically and through M&A, anticipated financing needs, business trends, our capital allocation strategy, liquidity and capital management, and other information that is not historical information. Forward looking statements are generally identified by the words "estimates," "expects," "anticipates," "projects," "plans," "intends," "believes," "forecasts," "looks," and future or conditional verbs, such as "will," "should," "could" or "may," as well as variations of such words or similar expressions. All forward-looking statements are based upon our current expectations and various assumptions and, there can be no assurance that our current expectations will be achieved. They are subject to future events, risks and uncertainties - many of which are beyond our control - as well as potentially inaccurate assumptions, that could cause actual results to differ materially from those in the forward-looking statements. Further information on the risks that may affect our

business is included in filings we make with the Securities and Exchange Commission from time to time, including our most recent annual report on Form 10-K, subsequent quarterly reports on Form 10-Q, and in our other SEC filings. We undertake no obligation to update or revise forward-looking statements that have been made to reflect events or circumstances that arise after the date made or to reflect the occurrence of unanticipated events.
