The list of 100 Great Supply Chain Partners is the result of a six-month online poll in which supply chain professionals were asked to nominate vendors and service providers whose solutions have made a significant impact on their company’s efficiency, customer service, and overall supply chain performance.

“It is extremely gratifying to know that our customers are taking the time to nominate us year after year, and it is a true testament to the value we are delivering to them on a daily basis,” said Steve Sensing, President of Global Supply Chain Solutions, Ryder. “We are constantly working with them to identify solutions that further streamline their supply chain operations and which ultimately drive continuous improvement.”

The **Ryder Supply Chain Solutions** business segment offers a broad range of innovative services for companies in targeted industries designed to optimize day-to-day logistics operations and synchronize the supply of parts and finished goods with customer demand. Solutions are strategically engineered to address customer requirements, and include lead logistics management, warehousing, transportation management, packaging, and other value-added services. Ryder distinguishes itself through its deep industry knowledge, commitment to lean guiding principles, and providing the best execution.

“Each year, our list of 100 Great Supply Chain Partners features a select group of companies whose customers are

recognizing them for providing outstanding solutions and services,” said Brad Berger, Publisher, SupplyChainBrain. “This year, we received nominations for literally hundreds of solutions providers in every aspect of supply chain management.”

Ryder will appear in the 2015 July/August issue of SupplyChainBrain magazine as a celebrated member of this year’s 100 Great Supply Chain Partners.
