TWEET THIS: Finding a **#usedtruck** from Ryder has never been easier with the new

Usedtrucks.Ryder.com website.

New user-friendly features include:

- **Ryder TruckMatch:** New intuitive tools that guides shoppers through a series of questions to help them identify the best Ryder pre-owned commercial vehicle to meet their unique needs
- **Mobile-Friendly:** New mobile technology makes it easier to navigate the site from any device
- **Saved Searches & Alerts:** Visitors can register on the site and save their searches and establish alerts for when new models are added that meet their search criteria or when there is a change to any saved vehicle information, price, or status
- **Export Sales & Service:** Customers get easier access to International Sales Experts and can search Ryder's pre-

owned vehicle inventory available for export to international markets

“We are committed to continually enhance the customer experience, and make it as easy as possible for businesses to locate and purchase the best pre-owned commercial vehicle to meet their needs,” said Eugene Tangney, Ryder Vice President and Global Product Manager for Asset Management. “As more customers start their pre-owned purchase journey online, it was critical that we enhance our Usedtrucks.Ryder.com website to deliver the best online experience.”

Ryder has the largest retail network of pre-owned vehicles for sale in North America with 60 locations, selling more than 17,000 vehicles a year. In addition, Ryder’s international sales/export team helps customers in locations from Africa, Asia, Europe, the Caribbean, as well as in Central and South America, get the vehicles they need to keep their businesses in high gear. Ryder’s pre-owned vehicle inventory includes commercial and heavy-duty trucks consisting of tractors, trailers, straight trucks, panel and cube vans, refrigerated trucks, stake trucks, and more.

Vehicles that are Ryder Certified™ have been owned and maintained by solely Ryder for its entire operating life and come with a 30-day warranty and a complete vehicle maintenance history report. Ryder also offers Ryder Verified™ pre-owned commercial vehicles where customers can build their fleet with a fully Department of Transportation compliant vehicle at a cost that works for them. With Ryder Reclassified™, customers can search through an inventory of “As-is,” damaged, and scrap vehicles for a fixer-upper option, or to utilize the parts, allowing the flexibility to fit their specific business needs.

For more information visit the Ryder **Pre-Owned Vehicle™ website** or contact your local Ryder Pre-Owned Vehicle Sales location at 1-800-USED-TRK.
