Fortune Magazine Names Ryder among World's Most Admired Companies for Fifth Year in a Row

2/27/2017

MIAMI--(BUSINESS WIRE)-- Ryder System, Inc. (NYSE:R), a leader in commercial **fleet management, dedicated transportation, and supply chain** solutions, today announced that it has been named by FORTUNE magazine as one of the World's Most Admired Companies. This is the fifth consecutive year that Ryder has made the list.

FORTUNE's World's Most Admired Companies survey, conducted annually, evaluates corporate reputation based on nine key business attributes and is voted on by executives, directors, and analysts across all industries. Ryder was ranked again as one of the top five companies within the Trucking, Transportation, and Logistics industry.

"This distinction demonstrates that Ryder continues to remain top of mind within the industry and that the unparalleled transportation solutions and expertise we provide business with are both essential and valued," said Robert Sanchez, Ryder Chairman and CEO. "It is a great honor to be named a Most Admired Company for the fifth straight year."

Ryder is a \$6.8 billion commercial fleet management, dedicated transportation, and supply chain solutions company, with operations in the U.S., Canada, Mexico, the U.K., and parts of Asia. The Company, founded in 1933, operates behind the scenes, managing critical transportation and logistics functions for more than 50,000 customers, many of which make the products that consumers use every day. Ryder employs more than 34,500 people, manages a fleet of 234,100 commercial vehicles, and operates more than 44 million square feet of warehouse space.
