- Ryder Honored with Award for More than Two Decades -

MIAMI--(BUSINESS WIRE)-- Ryder System, Inc. (NYSE: R), a leader in commercial **fleet management, dedicated transportation, and supply chain** solutions, today announced that the company was named a 2017 Top 100 Trucker by **Inbound Logistics** for the 21st consecutive year. The list serves as a qualitative assessment of service providers the publication feels are best equipped to meet and surpass readers' diverse supply chain and logistics needs.

"Ryder is honored to be named a Top 100 Trucker from among hundreds of other top supply chain solutions providers," said John Diez, President of Ryder Dedicated Transportation Solutions. "We leverage our deep industry knowledge and expertise of more than 80 years to continue serving the needs of businesses that rely on us for great service and continuous improvements across their supply chains."

Ryder Supply Chain Solutions helps companies get products to markets faster, serve customers better, and control costs. Ryder provides a full range of services, from optimizing day-to-day logistics and transportation operations, to synchronizing the supply of parts and finished goods with customer demand. As an integral part of Ryder Supply Chain Solutions, **Ryder Dedicated [Transportation Solutions](#)** addresses the many transportation challenges businesses face by offering a flexible, outsourced solution that combines drivers, vehicles, and value-added services to help fleets be nimble, run lean, and stay safe.

"Ryder continues to demonstrate great leadership in the trucking industry, providing supply chain solutions that meet the complex logistics and transportation challenges of its customers," said Felecia Stratton, Editor of Inbound Logistics. "Ryder has been honored with this distinction for the past 21 years, which is a testament to the effective, reliable solutions and customer service they provide."

Each year, Inbound Logistics editors select the best transportation providers by carefully evaluating submitted information, conducting personal interviews and online research, and comparing that data to their readers' burgeoning motor freight and logistics challenges. The magazine's editors selected this year's class of the Top 100 Truckers from a pool of nearly 300 companies. They selected service providers that, in their opinion, offer the diverse operational capabilities and experience to meet and surpass readers' evolving transportation needs.
