Ryder Unveils Upgraded Maintenance Facility in Grapevine, Texas

10/5/2017

- State-of-the-Art Facility Engineered to Provide Best-in-Class Maintenance Services to a Broad Range of Vehicle Platforms -

MIAMI--(BUSINESS WIRE)-- Ryder System, Inc. (NYSE: R), a leader in commercial **fleet management**, **dedicated transportation**, and **supply chain** solutions, announced the unveiling of its upgraded, state-of-the-art maintenance facility in Grapevine, Texas. With the growing presence of rental and maintenance customers utilizing a variety of vehicle configurations and engine platforms, Ryder has engineered the facility with expanded capabilities to provide maintenance to a broad range of diesel and advanced fuel vehicles. The upgraded facility features four new drive-through work bays that are natural gas vehicle (NGV) compliant, a new automated drive-through truck wash bay, and additional parking for commercial vehicles.

The upgraded facility also includes a redesigned full service rental counter for businesses that are in need of a commercial vehicle. Additionally, the on-site diesel fueling island at the location has been relocated and renovated to improve the truck traffic flow for customers seeking Ryder fuel.

"Ryder is continuing to see growth and expansion across North America, as more businesses understand the value of outsourcing their fleet management services to Ryder," said Ryder President of Global Fleet Management Solutions, Dennis Cooke. "We are happy to provide our customers in the Grapevine area with state-of-the-art diesel and advanced fuel vehicle maintenance services, expert technicians, and a wide selection of the latest commercial rental vehicles."

Located at 1150 Texan Trail in Grapevine, Texas 76051, Ryder's Grapevine, Texas facility is open Monday through Friday from 7:00 a.m. to 11:00 p.m. for vehicle maintenance and on Saturdays from 7:00 a.m. to 12:00 p.m. for truck rentals. For additional information about the new location and its services, please call 817-481-3568.
