Ryder Named a 2018 Top 3PL Provider by Multichannel Merchant for Providing Premium Supply Chain Solutions to Retail Companies

12/14/2017

MIAMI--(BUSINESS WIRE)-- Ryder System, Inc. (NYSE:R), a leader in commercial **fleet management, dedicated transportation, and supply chain** solutions, announced today that the Company was recognized by the publication Multichannel Merchant as a leader in providing strategic supply chain solutions to companies within the **retail** industry. Multichannel Merchant's Top 3PL Provider list is curated by the magazine's editors and includes the best-in-class top 3PL providers. The list is a sought-after resource by omnichannel, ecommerce, and direct-to-customer merchants seeking to discover new, experienced business partners. Multichannel Merchant's Top 3PL Provider list is a searchable resource available via multichannelmerchant.com.

"We're honored to be recognized by Multichannel Merchant as a Top 3PL Provider as this further demonstrates Ryder's leadership in providing integrated supply chain capabilities that include transportation, vehicle maintenance, warehousing, and distribution for retailers," said Ryder Vice President and General Manager for Retail and Consumer Brands, Tom Kretschmer. "Many companies have entrusted Ryder to support their retail operations by leveraging our LEAN supply chain culture. In order to keep up with growing e-commerce and omnichannel demands driving consumer expectations for faster, more frequent deliveries, Ryder is expanding its integrated e-fulfillment solutions network. Ryder is constantly listening to its customers and places a growing focus in capabilities that support rapid fulfillment, allowing retailers to not only cut down on delivery time, but also prepare for popular product orders and improve inventory product availability."

Ryder **Supply Chain Solutions** optimizes logistics networks to make them more responsive and able to be leveraged as a competitive advantage. Globally-recognized brands in the automotive, consumer goods, food and beverage, healthcare, industrial, oil and gas, technology, and retail industries rely on Ryder's leading technologies and world-class logistics engineers to help them deliver the goods that consumers use every day.

“Many ecommerce and direct-to-customer merchants today are considering an outsourced fulfillment solution because their business growth has outstripped their internal capabilities,” said Mike O’Brien, Senior Content Manager of Multichannel Merchant. “That’s why we’ve developed our Top 3PL listing as a valuable resource for them. Each 3PL listed has been selected based on their industry experience, range of capabilities, and ability to handle high order flow.”

Operating 189 facilities with 44 million square feet of warehouse space, Ryder offers flexible solutions as well as end-to-end visibility – no matter how challenging or diverse the storage and distribution needs may be. Ryder currently provides comprehensive logistics and supply chain management solutions to companies with operations in the U.S., Canada, Mexico, the U.K., and Singapore, and also contracts with more than 2,100 providers of all modes of transportation in the markets it serves.

The Company, founded in 1933, operates behind the scenes, managing critical transportation and logistics functions for more than 50,000 customers, representing many of the world’s best-known brands. Ryder employs 34,500 people and manages a fleet of 234,100 commercial vehicles.
