SS&C does not provide reconciliations of guidance for Adjusted Revenues and Adjusted Net Income to comparable GAAP measures, in reliance on the unreasonable efforts exception provided under Item 10(e)(1)(i)(B) of Regulation S-K. SS&C is unable, without unreasonable efforts, to forecast certain items required to develop meaningful comparable GAAP financial measures. These items include acquisition transactions and integration, foreign exchange rate changes, as well as other non-cash and other adjustments as defined under the Company's Credit agreement, that are difficult to predict in advance in order to include in a GAAP estimate. The unavailable information could have a significant impact on Q2 2023 and FY 2023 GAAP financial results.

## Non-GAAP Financial Measures

Adjusted revenue, adjusted operating income, adjusted consolidated EBITDA, adjusted net income and adjusted diluted earnings per share are non-GAAP measures. See the accompanying notes for the reconciliations and definitions for each of these non-GAAP measures and the reasons our management believes these measures provide useful information to investors regarding our financial condition and results of operations.
