

Vonage's Srinivasan Honored as Top CTO in 2015 AZ Top Tech Exec Awards

May 19, 2015

HOLMDEL, N.J., May 19, 2015 /PRNewswire/ -- Dr. Sanjay Srinivasan, CTO, Business Solutions Group, Vonage, has been honored as the top CTO in the annual AZ Top Tech Exec Awards. The awards, underwritten by the *Phoenix Business Journal*, honor Phoenix's finest leaders in technology.

Dr. Srinivasan has also been recognized nationally for his leading-edge work in the field of cloud communications technologies for businesses. He was recently a recipient of a Frost & Sullivan 2015 CIO IMPACT! Award for Network Architecture.

"We are honored to see Sanjay recognized for his outstanding talent and capabilities and are very proud of his accomplishments," said Clark Peterson, President, Business Solutions Group, Vonage. "As more businesses unify communications and migrate to cloud-based systems, the demand for impeccable quality puts significant pressure on the industry to develop enterprise architecture that can scale. Sanjay is extremely talented at this, and we're fortunate to have him on our team."

Dr. Srinivasan has more than 20 years of experience and in the areas of data networks, voice services and hosted application services for businesses. For the past five years, he has served as the technical committee chairman of the Cloud Communications Alliance, an industry association dedicated to fostering the growth of [cloud communications](#) that offer enterprises the best in voice, data communications and storage while simultaneously reducing costs.

Vonage offers a wide range of cloud-based communications to cover the needs of the full spectrum of the business market. The Company has products and services for single-person companies that need a simple solution with essential business features, to those for large organizations that require a fully managed, sophisticated unified communications system that integrates telephony, data connectivity, video conferencing, and a host of collaboration tools.
