

Vonage Honored with Award for Excellence in Cloud Communications Channel Partnership

October 7, 2015

HOLMDEL, N.J., Oct. 7, 2015 /PRNewswire/ -- Vonage (NYSE: VG) has earned the 2015 INTERNET TELEPHONY Channel Program Excellence Award presented by TMC and [INTERNET TELEPHONY](#) magazine. The Company was recognized for partnership excellence in Cloud Communications.

"With one of the largest Channel Partner programs in the industry, Vonage is committed to providing its national network of thought leaders and partners with expertise and leadership in Cloud Communications to successfully provide customers with an unparalleled experience," said Clark Peterson, President of Vonage Business Solutions Group. "This award underscores the Company's ability to maximize relationships through more than 30 dedicated channel managers to successfully distribute Vonage's full portfolio of unified communications services to meet the communications needs of a wide range of businesses."

Vonage has strong brand awareness in the market with a legacy of innovation and reliability that resonates with the business community. This near iconic brand recognition, coupled with award-winning back office systems for ongoing support and insight, along with exceptional customer care, enables channel partners to successfully deliver unified communications solutions that meet the needs of businesses of all sizes, from SMB to enterprise customers.

Those chosen for this award were selected based on client success, excellence in service and the ability to provide unique solutions to customers' needs. Winners of the 2015 INTERNET TELEPHONY Channel Program Excellence Award are published in the latest issue of [INTERNET TELEPHONY magazine](#).

"On behalf of TMC and the editors of *INTERNET TELEPHONY* magazine, we are honored to recognize Vonage as a **winner** of the INTERNET TELEPHONY Channel Program Excellence Award for its distinguished program," said Rich Tehrani, CEO, TMC. "We look forward to seeing continued excellence from Vonage in the future."

About Vonage

Vonage (NYSE: VG) is a leading provider of cloud communications services for businesses and consumers. The Company provides a robust suite of feature-rich business and residential communication solutions that offer flexibility, portability and ease-of-use across multiple devices designed to meet the needs of a wide range of customers. Vonage's portfolio of business products covers the full spectrum of business communications needs, serving single-person companies to those with thousands of employees spread over multiple locations. Vonage provides bring-your-own-broadband (BYOB) cloud products and those that offer carrier-grade reliability and Quality of Service (QoS) across BYOB options and the Company's private, national MPLS IP network, as well as integration with industry-leading CRM and business workflow applications.
