

## Cloud Computing Magazine Names Vonage a 2019 Product of the Year Award Winner

July 9, 2019

Vonage's NewVoiceMedia Contact Center Solution Recognized for Exceptional Innovation

HOLMDEL, N.J., July 9, 2019 /PRNewswire/ -- [Vonage](#) (NYSE: VG), announced today that [TMC](#), a global, integrated media company, has awarded [NewVoiceMedia Solution](#) a 2019 Product of the Year Award, presented by Cloud Computing Magazine.

"We are especially proud to be recognized for innovation by Cloud Computing Magazine," said Jay Patel, Chief Product Officer for Vonage. "Learning and innovation are at the core of our mission and vision, and this award further reinforces our commitment to helping our customers deliver a better, more emotive customer experience."

NewVoiceMedia Solution is Vonage's intelligent, multi-tenant contact center and inside sales offering that integrates all communications channels and interactions with customers, such as voice, video, chat and social apps, and plugs straight into an organization's CRM software for full access to hard-won data. With a true cloud environment, the NewVoiceMedia Solution ensures complete flexibility, scalability and reliability.

"Congratulations to Vonage for being honored with a Cloud Computing Product of the Year Award," said Rich Tehrani, CEO, TMC. "Vonage's NewVoiceMedia Solution is truly an innovative product and is amongst the best solutions available within the past twelve months that facilitates business-transforming cloud computing and communications. I look forward to continued excellence from Vonage in 2019 and beyond."

### About Vonage

[Vonage](#) is redefining business communications, helping enterprises use fully-integrated unified communications, contact center, and programmable communications solutions via Nexmo, the Vonage API Platform, to improve how business gets done. True to our roots as a technology disruptor, we've embraced technology to transform how companies connect, collaborate and communicate to create better business outcomes. Vonage's fully-integrated cloud communications platform built on a microservices-based architecture enables businesses to collaborate more productively and engage their customers more effectively across all channels, including messaging, chat, social media, video and voice.

Vonage Holdings Corp. is headquartered in Holmdel, New Jersey, with offices throughout the United States, Europe, the Middle East and Asia. ### About Cloud Computing Magazine:

Cloud Computing magazine is the industry's definitive source for all things cloud - from public, community, hybrid and private cloud to security and business continuity, and everything in between. This quarterly magazine published by TMC assesses the most important developments in cloud computing not only as they relate to IT, but to the business landscape as a whole.

### About TMC

Through education, industry news, live events and social influence, global buyers rely on TMC's content-driven marketplaces to make purchase decisions and navigate markets. As a result, leading technology vendors turn to TMC for unparalleled branding, thought leadership and lead generation opportunities. Our [in-person](#) and [online](#) events deliver unmatched visibility and sales prospects for all participants. Through our custom lead generation programs, we provide clients with an ongoing stream of leads that turn into sales opportunities and build databases. Additionally, we bolster brand reputations with the millions of impressions from display advertising on our news sites and newsletters. Making TMC a 360-degree marketing solution, we offer comprehensive event and road show management services and custom content creation with expertly ghost-crafted blogs, press releases, articles and marketing collateral to help with SEO, branding, and overall marketing efforts. For more information about TMC and to learn how we can help you reach your marketing goals, please visit [www.tmcnet.com](https://www.tmcnet.com) and follow us on [Facebook](#), [LinkedIn](#) and [Twitter](#), [@tmcnet](#).
