Company Information

American Homes 4 Rent is an internally managed Maryland real estate investment trust, or REIT, focused on acquiring, renovating, leasing, and operating single-family homes as rental properties. As of July 31, 2013, we owned 19,825 single-family properties in selected submarkets in 22 states and we continually evaluate potential target markets that meet our underwriting criteria and are located where we believe we can achieve sufficient scale for internalized property management. We are a leader in the single-family home rental industry and "American Homes 4 Rent" is fast becoming a nationally recognized brand for rental homes, known for high quality, good value and tenant satisfaction. Our common stock is a component of the Russell 1000 and Russell 3000 Indexes.
