Forward-Looking Statements

This press release contains “forward-looking statements” that relate to beliefs, expectations or intentions and similar statements concerning matters that are not of historical fact and are generally accompanied by words such as “believe,” “expect,” “will,” “intend,” “anticipate” or other words that convey the uncertainty of future events or outcomes. These forward-looking statements include the payment and anticipated timing of the payment of distributions of the Company’s common shares. The Company has based these forward-looking statements on its current expectations and assumptions about future events. While the Company’s management considers these expectations to be reasonable, they are inherently subject to risks, contingencies and uncertainties, most of which are difficult to predict and many of which are beyond the Company’s control and could adversely affect our cash flows and ability to pay distributions. Additional information about these and other important factors that may cause our actual results to differ materially from anticipated results expressed or implied by these forward-looking statements is available in the Company’s most recent Annual Report on Form 10-K, subsequent Quarterly Reports on Form 10-Q and other reports filed with the Securities and Exchange Commission. The

Company undertakes no obligation to update any forward-looking statement to conform to actual results or changes in expectations, except as required by applicable law.
