## Tennant Company to Preview 2015 Game-changing Technologies at Upcoming ISSA/InterClean® North America 2014 Show

10/28/2014

Tennant Booth #1855 'Innovators & Gamechangers' to include product displays, demos, and preview of latest technology innovations

MINNEAPOLIS--(BUSINESS WIRE)--Oct. 28, 2014-- Tennant Company (NYSE:TNC), a world leader in designing, manufacturing and marketing solutions that help create a cleaner, safer, healthier world is set to unveil proprietary, new technologies, described by the company as "gamechangers," setting the tone for "Innovators and Gamechangers," the theme for Tennant's ISSA booth.

"Game-changing" technologies include the next generation of Tennant Company's successful, proprietary ec-H2O™ technology; IRIS® (Intelligent Remote Information System) Asset Manager, a system to collect and transmit machine usage activity using machine-to-machine cellular technology; and the exciting Orbio® os3 System, the latest in On-Site Generation that replaces conventional daily-use chemicals with a multi-purpose cleaner and a one-step cleaner-disinfectant/sanitizer created on site.

"ISSA/InterClean North America will be the first time Tennant Company will share any details around the innovations and products launching in 2015," said Rusty Zay, Tennant senior vice president of the Americas. "Tennant innovations combined with Tennant engineering provide the jan/san industry with effective ways to reduce cleaning costs, maintain health and safety, enhance image, and clean using less water and fewer chemicals," Zay continued.

Cleaning professionals can get a peek at Tennant's latest developments by visiting [www.issa.com/vote](http://www.issa.com/vote) to see the

five Tennant Company products that are nominated for the 2014 ISSA Innovation Award Program: Orbio® os3 System, Q12 Multi-Surface Cleaner, T17 Heavy-Duty, Battery Rider-Scrubber, B5/B7 Battery-Powered Walk-Behind Burnishers, and the IRIS® Asset Manager.

Experience hands-on demonstrations of these “game-changing” solutions and more by joining Tennant at Booth #1855 at the 2014 ISSA/InterClean North America Show in Orlando, FL (Nov. 4-7).
