Dear Fellow Stockholders:

You are cordially invited to attend the 2025 annual meeting of stockholders of Franklin BSP Realty Trust, Inc., a Maryland corporation ("FBRT" or "the Company"), which will be held on Wednesday, May 28, 2025, at 11:00 A.M. Eastern time. The meeting will be held in virtual meeting format.

In 2024, FBRT paid an annual dividend of \$1.42, delivering a 9% yield on book value. We originated approximately \$2 billion in new loan commitments, including \$441 million in the fourth quarter. FBRT received repayments of \$1.6 billion in 2024. Based on our origination and repayment activity, as of January 2025, approximately 52% of our portfolio is comprised of loans originated after the interest rate hikes experienced in 2022 to 2023. These originations represent incredibly attractive opportunities with high-quality borrowers and low loan-to-value ratios. We ended the year with \$535 million in available liquidity, including \$184 million of unrestricted cash. We remain confident in FBRT's portfolio and our ability to continue to capitalize on market opportunities.

Emerging from 2024, we are excited about FBRT's future. In March 2025, we announced our acquisition of NewPoint Holdings JV LLC ("NewPoint"), a vertically integrated lending and servicing platform with a suite of agency licenses. The acquisition is highly synergistic and represents a natural expansion of our business lines within our core competency, multifamily lending. We expect our acquisition of NewPoint to provide an opportunity for future earnings and book value growth, allowing FBRT to originate agency loans and retain mortgage servicing rights. We expect the acquisition to close in the third quarter of 2025.

The role of our Board of Directors is to oversee the execution of our disciplined strategy and protect the rights of our stockholders. We have nominated all seven of our current directors for re-election at the Annual Meeting, of which 86% are independent. FBRT regularly assesses and enhances its governance practices through actively engaging with our stockholders and being responsive to any feedback we receive.

As such, this year, we have again included a proposal on our ballot to eliminate the supermajority vote standard to amend certain provisions of our charter. This proposal was presented to stockholders at the 2023 and 2024 annual meetings and received 98% support from the stockholders who voted on the proposal. Despite this, the requisite percentage of affirmative votes from our outstanding shares required to pass the proposal was not obtained in either year. Given our strong commitment to representing stockholder interests, we are including the charter amendment on our ballot again this year.

On behalf of the Board of Directors, I would like to express our sincere appreciation for your investment in FBRT. We value your input and continued support.

Sincerely,

/s/ Richard J. Byrne
Richard J. Byrne
Chairman of the Board of Directors and Chief Executive Officer

PROXY STATEMENT FOR 2025 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD MAY 28, 2025

This proxy statement is being furnished by and on behalf of the board of directors of Franklin BSP Realty Trust, Inc., a Maryland corporation, ("the Company," "FBRT," "we," "us" or "our"), in connection with the solicitation of proxies to be voted at the Company's 2025 Annual Meeting of Stockholders (the "Annual Meeting") and at any adjournment or postponement thereof. We are furnishing the proxy materials for the Annual Meeting electronically using the Internet through the mailing to our stockholders of a Notice of Internet Availability of Proxy Materials, or the Notice and Access Card. The proxy statement, proxy card and our 2024 annual report to stockholders will be distributed or made available to stockholders of record on or about April 15, 2025.

Important Notice Regarding the Availability of Proxy Materials for the Annual Stockholders Meeting to be Held on Wednesday, May 28, 2025

This Proxy Statement, the Notice of Annual Meeting and our 2024 Annual Report are available at: www.ProxyVote.com/FBRT

In addition, any stockholder may request to receive proxy materials electronically by email on an ongoing basis. Choosing to receive proxy materials by email saves the Company the cost of printing and mailing documents to stockholders and will reduce the impact of annual meetings on the environment. A stockholder's election to receive proxy materials by email will remain in effect until the stockholder terminates it.

Certain statements in our proxy statement, other than purely historical information, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are based on current expectations and assumptions of management that are subject to risks and uncertainties that may cause actual results to differ materially from our expectations. Our forward-looking statements are subject to various risks and uncertainties, including but not limited to the risks and important factors contained and identified in our filings with the SEC, including our Annual Report on Form 10-K for the fiscal year ended December 31, 2024, any of which could cause actual results to differ materially from the forward-looking statements. The forward-looking statements included in this proxy statement are made only as of the date hereof. Please see "Forward-Looking Statements" in the 2024 annual report for more information.

Q&A

INFORMATION ABOUT THE MEETING AND VOTING

What is the date of the Annual Meeting and where will it be held?

The Annual Meeting will be held on Wednesday, May 28, 2025, commencing at 11:00 A.M. Eastern time. The Annual Meeting will be held in virtual format only.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The United States Securities and Exchange Commission (the "SEC") has approved "Notice and Access" rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our annual report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice and Access Card, which will be mailed to our stockholders, provides instructions regarding how you may access and review all of the proxy materials on the Internet. The Notice and Access Card also instructs you as to how you may authorize your proxy via the Internet or by telephone. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials printed on the Notice and Access Card.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. The Notice and Access Card provides instructions on how to authorize your proxy via the Internet or by telephone or vote in person at the Annual Meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a signed paper proxy card.

How can I participate at the virtual Annual Meeting?

The Annual Meeting will be conducted via live webcast. You are entitled to participate in the Annual Meeting only if you were a stockholder as of the close of business on April 4, 2025, or if you hold a valid proxy for the Annual Meeting.

You may attend the annual meeting live online at **www.virtualshareholdermeeting.com/FBRT2025**. If you virtually attend the annual meeting you can vote your shares electronically, and submit your questions during the annual meeting. To participate in the Annual Meeting, you will need the 16-digit control number included on your proxy card or on the voter instruction form that accompanied your proxy materials.

The meeting webcast will begin promptly at 11:00 a.m. Eastern Time on May 28, 2025. Online access will begin at 10:45 a.m. Eastern Time, and we encourage you to access the meeting prior to the start time.

Will I be able to participate in the online annual meeting on the same basis I would be able to participate in a live annual meeting?

Yes. We designed the format of the online annual meeting to ensure that our stockholders who attend our annual meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting and to enhance stockholder access, participation and communication through online tools.

If you were a stockholder as of the close of business on April 4, 2025, and access the Annual Meeting using the 16-digit control number included on your proxy card or on the voter instruction form that accompanied your proxy materials, you can submit questions electronically at the Annual Meeting during the webcast. During the live Q&A session of the meeting, members of our executive leadership team and our Chairman of the Board will answer questions as they come in, as time

permits. To ensure the meeting is conducted in a manner that is fair to all stockholders, the Chairman (or such other person designated by our Board) may exercise broad discretion in recognizing stockholders who wish to participate, the order in which questions are asked and the amount of time devoted to any one question. We reserve the right to edit or reject questions we deem profane or otherwise inappropriate.

What will I be voting on at the Annual Meeting?

At the Annual Meeting, you will be asked to:

- 1. elect seven directors for a term of one year, until our 2026 annual meeting of stockholders and until their successors are duly elected and qualify;
- 2. approve the amendment of the Charter to eliminate supermajority voting requirements;
- 3. ratify the appointment of PricewaterhouseCoopers LLP ("PwC") as the Company's independent registered public accounting firm for the year ending December 31, 2025;
- 4. approve an advisory vote on the compensation of our named executive officers; and
- 5. consider and act on such matters as may properly come before the Annual Meeting and any adjournment thereof.

The Board of Directors does not know of any matters that may be considered at the Annual Meeting other than the matters set forth above.

Who can vote at the Annual Meeting?

The record date for the determination of holders of shares of our common stock, par value \$0.01 per share ("Common Stock"), and shares of our Series H Convertible Preferred Stock, par value \$0.01 per share ("Series H Preferred Stock"), entitled to notice of and to vote at the Annual Meeting, or any adjournment or postponement of the Annual Meeting, is the close of business on April 4, 2025. As of the record date, approximately 83,637,434 shares of our Common Stock and 17,950 shares of our Series H Preferred Stock were issued and outstanding and entitled to vote at the Annual Meeting. Holders of shares of Series H Preferred Stock are entitled to vote on an as-converted basis on each matter upon which the holders of Common Stock are entitled to vote, voting together as a single class. Each share of Series H Preferred Stock is currently convertible into 299.2 shares of Common Stock.

How many votes do I have?

Each share of Common Stock entitles the holder to one vote on each matter considered at the Annual Meeting or any adjournment or postponement thereof. Each share of Series H Preferred Stock entitles the holder to 299.2 votes (rounded down to the nearest whole number) on each matter considered at the Annual Meeting or any adjournment or postponement thereof.

How may I vote?

You may vote electronically during the Annual Meeting on the virtual meeting website, or by proxy. The Notice and Access Card provides instructions on how to authorize your proxy via the Internet or by telephone or vote electronically at the annual meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a signed paper proxy card by mail.

Stockholders may vote during the Annual Meeting by following the instructions available on the meeting website during the meeting. Please see "How can I participate at the virtual Annual Meeting" above for instructions on how to participate in the virtual meeting. If they request paper copies of the proxy materials, stockholders may submit their votes by proxy by mail by completing, signing, dating and returning their proxy card in the enclosed envelope. Stockholders also have the following two options for authorizing a proxy to vote their shares:

- via the Internet at www.proxyvote.com/FBRT at any time prior to 11:59 p.m. Eastern Time on May 27, 2025; or
- by telephone, by calling 1-800-690-6903 at any time prior to 11:59 p.m. Eastern Time on May 27, 2025.

Even if you plan to attend the virtual Annual Meeting, we encourage you to authorize a proxy to vote your shares via the Internet or telephone beforehand, a convenient means of authorizing a proxy that also provides cost savings to us that benefit you as a stockholder. In addition, when you authorize a proxy to vote your shares via the Internet or by telephone prior to the Annual Meeting date, your proxy authorization is recorded immediately, and there is no risk that postal delays will cause your vote by proxy to arrive late and, therefore, not be counted. For further instructions on authorizing a proxy to vote your shares, see your proxy card. If you attend the virtual Annual Meeting, you may submit your vote electronically, and any previous votes that you submitted by mail or authorized by Internet or telephone will be superseded by the vote that you cast at the Annual Meeting.

How will proxies be voted?

Shares represented by valid proxies will be voted at the Annual Meeting in accordance with the directions given. If your proxy card is signed and returned without any directions given, the shares will be voted "FOR" (i) the election of seven director nominees named in this proxy statement for a term of one year, until our 2026 annual meeting of stockholders and until their successors are duly elected and qualify; (ii) the amendment to the Charter to eliminate supermajority voting requirements; (lii) the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the year ending December 31, 2025; and (iv) the advisory vote on the compensation of our named executive officers.

The Board does not intend to present, and has no information indicating that others will present, any business at the Annual Meeting other than as set forth in the attached Notice of Annual Meeting of Stockholders and this proxy statement. However, if other matters requiring the vote of our stockholders come before the Annual Meeting, it is the intention of the persons named in the proxy to vote the proxies held by them in their discretion.

How can I change my vote or revoke a proxy?

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by (i) submitting a later-dated proxy either by telephone, via the Internet or in the mail to our proxy solicitor at the following address: Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717; or (ii) by voting electronically at the virtual Annual Meeting. No written revocation of your proxy shall be effective, however, unless and until it is received at or prior to the Annual Meeting.

What if I return my proxy card but do not mark it to show how I am voting?

If your proxy card is signed and returned without any direction given, your shares will be voted as recommended by the Board.

What vote is required to approve each item?

There is no cumulative voting in the election of our directors. Under our bylaws, a nominee for director in an uncontested election shall be elected to our Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. Each share of our voting stock may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to be voted. Abstentions and broker non-votes will count toward the presence of a quorum but are not considered to be votes "cast" and will have no effect on the election of our directors.

For the proposal to amend the Charter to eliminate supermajority voting requirements, the affirmative vote of the holders of not less than two-thirds of the shares then outstanding and entitled to vote at the Annual Meeting is required to approve the proposal. Abstentions and broker non-votes will have the effect of a vote "against" the proposal.

The proposal to ratify the appointment of PwC as the Company's independent registered public accounting firm requires the affirmative vote of at least a majority of all the votes cast on the proposal. Abstentions will count towards the presence of a quorum but will have no effect on the proposal. Because the proposal to ratify the appointment of PwC as the Company's independent registered public accounting firm is considered to be a "routine" matter under New York Stock Exchange ("NYSE") rules, we do not expect there to be any broker non-votes on that proposal.

The advisory vote to approve the compensation of the Company's named executive officers requires the affirmative vote of at least a majority of all the votes cast on the proposal. Abstentions and broker non-votes will count toward the presence of a quorum but are not considered to be votes "cast" and will have no effect on the proposal.

For each of the proposals, holders of the Series H Preferred Stock and holders of the Common Stock shall be deemed to vote together as a single class.

What is a "broker non-vote"?

A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Brokerage firms have the authority under NYSE rules to cast votes on certain "routine" matters if they do not receive instructions from their customers. The ratification of the appointment of PwC as the Company's independent registered public accounting firm is considered a "routine" matter for which brokerage firms may vote shares for which they did not receive instructions from beneficial owners. All other items on this year's ballot are "non-routine" matters under the NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner.

Are stockholders entitled to appraisal rights in connection with any of the proposals?

None of the proposals, if approved, entitle stockholders to appraisal rights under Maryland law or the Company's Charter.

What constitutes a "quorum"?

The presence at the Annual Meeting, in person or represented by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum.

Will you incur expenses in soliciting proxies?

We will pay all of the costs of soliciting these proxies. We have engaged Broadridge Investor Communication Solutions, Inc. ("Broadridge") to, among other things, assist us in distributing proxy materials and soliciting proxies. We expect to pay Broadridge aggregate fees of approximately \$28,000 to distribute and solicit proxies plus other fees and expenses for other services related to this proxy solicitation, including distributing proxy materials; disseminating brokers' search cards; distributing proxy materials; operating online and telephone voting systems; and receiving of executed proxies. In compliance with the regulations of the SEC, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses to the extent they forward proxy and solicitation materials to our stockholders. Our directors and officers and employees of affiliates of our advisor, Benefit Street Partners L.L.C. (the "Advisor"), may also solicit proxies on our behalf in person, via the Internet, by telephone or by any other electronic means of communication we deem appropriate, for which they will not receive any additional compensation.

Is this Proxy Statement the only way that proxies are being solicited?

No. In addition to our mailing proxy solicitation material, our directors and officers and employees of Broadridge and affiliates of the Advisor may also solicit proxies in person, via the Internet, by telephone or by any other electronic means of communication we deem appropriate.

What does it mean if I receive more than one proxy card or Notice of Internet Availability of Proxy Materials?

Some of your shares may be registered differently or held in a different account and/or you may hold shares of Common Stock and Preferred Stock. You should authorize a proxy to vote the shares in each of your accounts and all classes of securities held by mail, by telephone or via the Internet. If you mail proxy cards, please sign, date and return each proxy card to guarantee that all of your shares are voted. If you hold your shares in registered form and wish to combine your stockholder accounts in the future, you should call our Investor Relations department at (212) 588-6761. Combining accounts reduces excess printing and mailing costs, resulting in cost savings to us that benefit you as a stockholder.

What if I receive only one set of proxy materials although there are multiple stockholders at my address?

The SEC has adopted a rule concerning the delivery of documents filed by us with the SEC, including proxy statements and annual reports. The rule allows us and brokers to send a single set of proxy materials, including proxy statements and notices, to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family. This procedure is referred to as "Householding." This rule benefits both you and us. It reduces the volume of duplicate information received at your household and helps us reduce expenses.

We will promptly deliver, upon written or oral request, a copy of our 2024 annual report, this proxy statement or the Notice and Access Card, as applicable, to a stockholder at a shared address to which a single copy was previously delivered. If your household received a single set of disclosure documents for this year, but you would prefer to receive your own copy,

PROPOSAL NO. 1—ELECTION OF DIRECTORS

The Board ultimately is responsible for the management and control of our business and operations. The Board, including our independent directors, is responsible for monitoring and supervising the performance of our day-to-day operations by our Advisor. Directors are elected annually by our stockholders, and there is no limit on the number of times a director may be elected to office. Each director serves for a term of one year until the next annual meeting of stockholders or (if longer) until his or her successor is duly elected and qualifies. The Company's charter and bylaws provide that the number of directors may be fixed by a resolution of the Board; provided, however, that the number of directors shall never be less than three. The number of directors on the Board is currently fixed at seven.

The proxy holder named on the proxy card intends to vote "FOR" the election of each of the seven nominees. If you do not wish your shares to be voted "FOR" particular nominees, you vote "AGAINST" the nominee or "ABSTAIN" from voting by selecting the applicable designated space provided on the proxy card or, if you are authorizing a proxy to vote your shares by telephone or the Internet, follow the instructions provided when you authorize a proxy. Under our bylaws, a nominee for director in an uncontested election shall be elected to our Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. Each share of our voting stock may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to be voted. For purposes of the election of directors, abstentions and broker non-votes will count toward the presence of a quorum but are not considered to be votes "cast" and will have no effect on the election of our directors.

Our Corporate Governance Guidelines provide that if a nominee for election as a director who is already serving as a director is not elected pursuant to the majority voting standard set forth in the Company's bylaws, the director shall tender his or her resignation to the Board. The Nominating and Corporate Governance Committee, or such other committee as designated by the Board, will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results.

We know of no reason why any nominee would be unable to serve if elected. If, at the time of the Annual Meeting, one or more of the nominees should become unable to serve, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Board. No proxy will be voted for a greater number of persons than the number of nominees described in this proxy statement.

Nominees

The table set forth below lists the name and age of each nominee as of the date of this Proxy Statement and the position and office that each nominee currently holds with the Company. BOARD OF DIRECTORS AND COMMITTEES

Information About the Board of Directors and its Committees

The Board ultimately is responsible for the management and control of our business and operations. We have no employees and have retained the Advisor to manage our day-to-day operations. The Advisor is a wholly-owned subsidiary of Franklin Resources, Inc., which, together with its various subsidiaries, operates as Franklin Templeton.

Our Board currently has seven members and is comprised of Messrs. Byrne, Augustine, Dumars, McDonough, and Ortale and Mses. Handwerker and Tuppeny. The Nominating and Corporate Governance Committee of the Board considers and makes recommendations to the Board concerning the appropriate size and needs of the Board and considers and recommends to the Board candidates to fill vacancies on the Board.

The Board held a total of five meetings during the fiscal year ended December 31, 2024. Each director attended at least 75% of the meetings of the Board and the Board committees on which he or she served during 2024. The Board does not have a formal policy relating to director attendance at our annual meetings of stockholders. Four of our seven directors attended the 2024 annual meeting of stockholders.

The Board currently has three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee, the members of which are all independent directors. The current written charters for each of the standing committees, as well as our Corporate Governance Guidelines, Code of Ethics and certain other corporate governance information are available on our website, www.fbrtreit.com, under the "Governance Documents" tab by selecting "Governance."

How Directors are Selected, Elected and Evaluated

The Nominating and Corporate Governance Committee is responsible for reviewing, on an annual basis, the requisite skills and characteristics of individual Board members, as well as the organization, function and composition of the Board as a whole, in the context of the needs of the Company. The Nominating and Corporate Governance Committee reviews all nominees for director in accordance with criteria established by the Nominating and Corporate Governance Committee and the requirements and qualifications contained in the Company's Corporate Governance Guidelines and will recommend that the Board nominate or elect those nominees whose attributes it believes would be most beneficial to the Company. The reviews involve an assessment of the personal qualities and characteristics, accomplishments and business reputation of each nominee. The Nominating and Corporate Governance Committee may consider such criteria as the committee shall deem appropriate, which may include, without limitation:

- personal and professional integrity, ethics and values;
- experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- commercial real estate and finance experience;
- experience as a board member of another publicly held company;
- variety of both personal background and experience;
- practical and mature business judgment, including ability to make independent analytical inquiries;
- the nature of and time involved in a director's service on other boards or committees;
- NYSE rules applicable to directors, including rules regarding independence; and
- with respect to any person already serving as a director, the director's past attendance at meetings and participation and contribution to the activities of the Board.

The Nominating and Corporate Governance Committee identifies potential nominees by seeking input from fellow directors, executive officers, professional recruitment firms and stockholders and stakeholders. The Nominating and Corporate Governance Committee's evaluation process does not vary based on whether a candidate is recommended by a stockholder, although in addition to taking into consideration the needs of the Board and the qualifications of the candidate, the committee may also consider the number of shares held by the recommending stockholder and the length of time that such shares have been held by such stockholder.

The Board will consider candidates nominated by stockholders provided that the stockholder submitting a nomination has complied with procedures set forth in the bylaws. See "Stockholder Proposals for the 2026 Annual Meeting" for additional information regarding stockholder nominations of director candidates.

The Board believes that it benefits from having members that collectively have diverse skills, personal backgrounds and professional experience. In our annual director nomination process, the Board and the Nominating and Corporate Governance Committee strive to recommend a slate of director nominees that reflects a variety of experiences, perspectives and skillsets.

In terms of diversity, 29% of our Board identifies as female and 14% of our Board identifies as a member of an underrepresented racial group.

Director Independence

Under our Corporate Governance Guidelines and NYSE rules, a majority of our directors must be "independent." A director is not independent unless the Board affirmatively determines that he or she does not have a "material relationship" with us and the director must meet the bright-line test for independence set forth by the NYSE rules. A relationship with the Advisor or an affiliate thereof (other than service as an independent director or trustee for another company managed by the Advisor) is treated as a relationship with the Company. Our Corporate Governance Guidelines also require all members of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee to be "independent" directors. Based upon its review, the Board has affirmatively determined that each of Messrs. Augustine, Dumars, McDonough and Ortale, and each of Mses. Handwerker and Tuppeny is independent under all applicable criteria for independence set forth in the listing standards of the NYSE, including with respect to committee service. In making its independence determinations, the Board considered and reviewed all information known to it, including information identified through directors' questionnaires. There are no familial relationships between any of our directors and executive officers.

Director Skills

Effective as of the Annual Meeting, the Board will consist of seven directors. As described above, the Nominating and Corporate Governance Committee evaluates all director nominees in accordance with the criteria and qualifications contained in the committee's charter as well as the Corporate Governance Guidelines. The Company is confident that its director nominees are well qualified and experienced, collectively possessing a strong mix of expertise to oversee the Company's strategy and generate long-term value for stockholders. Listed below are core skills and experiences valuable for our Board to possess:

Leadership Structure of the Board of Directors

Richard J. Byrne currently serves as our Chairman of the Board and our Chief Executive Officer. As Chief Executive Officer, Mr. Byrne is responsible for implementing the Company's business strategy. The Board believes that because the Chief Executive Officer is ultimately responsible for ensuring the successful operation of the Company and its business, which is also the main focus of the Board's deliberations, the Chief Executive Officer is the most qualified director to act as chairman. The Board may modify this structure to best address the Company's circumstances for the benefit of its stockholders when appropriate.

The Board has appointed Elizabeth K. Tuppeny as the lead independent director of the Company. The Board has appointed a lead independent director to provide an additional measure of balance, ensure the Board's independence and enhance the Board's ability to fulfill its management oversight responsibilities.

The lead independent director chairs meetings or executive sessions of the independent directors, reviews and comments on Board's meeting agendas, represents the views of the independent directors to management, facilitates communication among the independent directors and between management and the independent directors, and acts as a liaison with service providers, officers, attorneys and other directors generally between meetings, has the authority to call meetings of the independent directors, and otherwise assumes such responsibilities as may be assigned to her by the Board. The Company compensates Ms. Tuppeny for acting as lead independent director.

The Company's management believes that having a majority of independent, experienced directors, including a lead independent director with specified responsibilities on behalf of the Board, provides the right leadership structure for the Company and is best for the Company and its stockholders at this time.

Oversight of Risk Management

The Board has an active role in overseeing the management of risks applicable to the Company. While management is responsible for the day-to-day risk management processes, the Board's role is:

Full Board

- Oversees risk management for the Company through its approval of the investment policy and significant
 originations and investments and indebtedness and its general oversight of Board committees, the Company, its
 executive officers and the Advisor.
- Keeps informed of our business by participating in meetings of our Board, by receiving regular reports from Board committees, by reviewing analyses, reports and other materials provided to them by and through discussions with our Advisor and our executive officers.

Audit Committee

- Oversees management's programs and policies to identify, assess, manage, mitigate and monitor significant business risks of the Company, including financial, operational, cybersecurity and information technology, business continuity, legal, regulatory and reputational risks.
- Oversees management's risk assessment, management, mitigation and monitoring decisions, practices and activities, including the steps management has taken to monitor and control the Company's major financial risk exposures.

Compensation Committee

- Oversees and reports to the Board on the assessment and mitigation of risks associated with the Company's and the Advisor's compensation policies and practices.
- Administers the Company's annual equity award program for executive officers and Advisor employees who provide substantial services to the Company.
- Appoints and oversees the work of its compensation consultants and other advisors retained by it.

Nominating and Corporate Governance Committee

- Reviews and approves any transactions with affiliated parties and addresses other conflicts of interest between the Company and its subsidiaries, on the one hand, and the Advisor or its respective affiliates, on the other hand.
- Assists our Board with assessing risks associated with board organization, membership and structure, succession planning and corporate governance.

ESG Oversight

Our Nominating and Corporate Governance Committee oversees corporate social responsibility, sustainability and related matters and evaluates best practices. In 2022, we released our Corporate Environmental Policy, which outlines our commitment to operate in an environmentally responsible manner that promotes energy conservation and waste reduction, to the benefit of our business and the environment. In 2023, we released our inaugural ESG report. We have also instituted Director and Executive Officer Stock Ownership Guidelines and Political and Charitable Contribution Guidelines.

Spotlight on Cybersecurity

As noted above, our Audit Committee is charged with overseeing the Company's management of cybersecurity risk. The Audit Committee reviews, discusses with management, and oversees the Company's privacy, information technology and security and cybersecurity risk exposures, including:

- The potential impact of those exposures on the Company's business, financial results, operations and reputation;
- The programs and steps implemented by management to monitor and mitigate any exposures;
- The Company's information governance and information security policies and programs; and
- Major legislative and regulatory developments that could materially impact the Company's privacy, data security and cybersecurity risk exposure.

Some members of the Audit Committee have completed certifications in cybersecurity, including one from the National Association of Corporate Directors (NACD) in Cyber-Risk Oversight. On a quarterly basis, the Advisor's Chief Information Security Officer or its delegee report to the Board or the Audit Committee on information technology and cybersecurity matters, including a detailed threat assessment relating to information technology risks.

The Board is proud that we have not experienced any material cybersecurity incidents in the past three years.

CORPORATE GOVERNANCE PRINCIPLES

Stock Ownership Guidelines

Our stock ownership guidelines, which are set forth in our Corporate Governance Guidelines, are applicable to the Company's executive officers and non-management directors in order to further align the long-term interests of our executive officers and non-management directors with those of our stockholders. In each case, Common Stock owned directly and indirectly (if the participant has an economic interest in the shares), and shares underlying unvested time-based restricted stock and/or restricted stock units count towards satisfaction of the ownership requirements.

Non-Management Directors

Each non-management director is expected to own a number of shares of the Company's common stock with an aggregate market value equal to at least three times the annual base cash retainer for the prior year (exclusive of committee or chair fees). These multiples must be achieved by five years from the date of such director's appointment to the Board (the "Director Anniversary Date"), and any amendment to this policy that increases the required ownership must be achieved within three years of such amendment. Thereafter, each participant must maintain ownership levels at or above the required level (the "Director Ownership Requirement").

Notwithstanding the foregoing, once a non-management director comes into compliance with the Director Ownership Requirement, that non-management director will not be deemed to be out of compliance with the Director Ownership Requirement if (i) the sole reason that such person's ownership has dropped below the required threshold is a decrease in the market price of the Company's common stock, and (ii) such person has not sold any common stock since the time that such person's ownership dropped below the required threshold.

Under the guidelines, each non-management director is expected to own a number of shares of the Company's Common Stock with an aggregate market value equal to at least three times the annual base cash retainer for the prior year (exclusive of committee or chair fees). These multiples must be achieved by five years from the date of appointment to the Board, and any amendment to the policy that increases the required ownership must be achieved within three years of such amendment.

As of December 31, 2024, all non-management directors were in compliance with the stock ownership requirements or were on track to meet the ownership requirements within the requisite time period.

Executive Officers

Under the guidelines, the Chief Executive Officer of the Company is expected to own a number of shares of the Company's Common Stock equal to at least three times the average number of shares granted to the Chief Executive Officer through annual equity awards over the prior three years, and the other executive officers of the Company should each have an ownership in the Company's Common Stock equal to at least two times the average number of shares granted to such executive officer through annual equity awards over the prior three years. In each case, the grant amounts shall be reduced by the number of shares withheld or sold to cover withholding or other taxes associated with the award, and may be adjusted for stock splits, stock distributions, combinations, and similar events. These multiples must be achieved by the later of the third anniversary of the adoption of these guidelines or three years from the date of appointment.

As of December 31, 2024, all of the Company's executive officers were in compliance with the stock ownership requirements or were on track to meet the ownership requirements within the requisite time period.

Environmental Sustainability

The Nominating and Corporate Governance Committee oversees the Company's ESG policies and initiatives. In addition, the Company has in place a Corporate Environmental Policy in which the Company details its focus on, among other things, acting in an environmentally responsible manner, providing a safe and healthy workplace for our and the Advisor's employees, and complying with applicable laws and regulations.

Our Nominating and Corporate Governance Committee oversees the Company's political and charitable contributions and other public policy matters. In order to facilitate accountability and informed decision-making with respect to the Company's political contributions, the Nominating and Corporate Governance Committee has adopted Political and Charitable Contributions Guidelines that apply to contributions or expenditures of corporate funds to various political entities, charitable organizations, and certain causes. Any political or charitable contributions in excess of \$10,000 must be approved by the Nominating and Corporate Governance Committee and all political and charitable contributions must be approved by the Chief Executive Officer. All contributions are required to be reported quarterly to the Nominating and Corporate Governance Committee.

Legal Proceedings

Franklin BSP Realty Trust, Inc. takes great pride in its compliance program with respect to regulations related to its business, including its lending activities to both new and existing borrowers. The Company has not been party to any material legal or regulatory proceedings related to its business practices and has not sustained any monetary losses associated with anti-competitive behavior, malpractice, insider trading, market manipulation, fraud, anti-trust, marketing, or other related financial industry laws.

For additional information, please reference our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q.

Director Continuing Education

Our Board recognizes the importance of continuing education for our directors and is committed to providing such education to improve the performance of our board and its committees. Our executive officers assist in identifying and advising our directors about opportunities for continuing education including trainings provided by independent third parties.

Director Time Commitments

The Company values the experience directors bring from other boards on which they serve and other activities in which they participate, but recognizes that those boards and activities may also present demands on a director's time and availability and may present conflicts or legal issues, including independence issues. Our Corporate Governance Guidelines provide that directors should advise the Chair of the Nominating and Corporate Governance Committee and the Chief Executive Officer before accepting a nomination or appointment to membership on other boards of directors or any Audit Committee or other significant committee assignment on any other board of directors, or establishing other significant relationships with businesses, institutions, governmental units or regulatory entities, particularly those that may result in significant time commitments or a change in the director's relationship to the Company. Other directorships and commitments should not interfere with a director's obligations to the Board, and our Corporate Governance Guidelines provide that no director may simultaneously serve as a director of more than four additional publicly-traded companies. Members of the Audit Committee should not serve on more than two publicly-traded company Audit Committees (in addition to our Audit Committee) unless (i) the Board determines that such service will not impair the member's ability to serve on the Audit Committee and (ii) the Company discloses such determination either on or through its website or in its annual proxy statement. In addition, directors who serve as Chief Executive Officer, or in equivalent positions, generally should not serve on more than two publicly-traded company's Board.

To facilitate our understanding of changes in director time commitments, our Corporate Governance Guidelines requires that every director must notify the Board of any change in employer, any other significant change in professional roles and responsibilities and any actual or potential conflict of interest. The Board shall determine the action, if any, to be taken given such change.

Majority Vote Standard and Director Resignation Policy

Under our bylaws, a nominee for director in an uncontested election shall be elected to our Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. In the case of a contested election, directors shall be elected by a plurality of the votes.

Our Corporate Governance Guidelines provide that if a nominee for election as a director who is already serving as a director is not elected pursuant to the majority voting standard set forth in the Company's bylaws, the director shall tender his or her resignation to the Board. The Nominating and Corporate Governance Committee, or such other committee as designated by the Board, will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The Nominating and Corporate Governance Committee, in making its recommendation, and the Board, in making its decision, each may consider any factors and other information that they consider appropriate and relevant. The director who tenders his or her resignation will not participate in the Board's decision. If such director's resignation is not accepted by the Board, such director shall continue to serve until his or her successor is duly elected, or until his or her earlier resignation or removal. If the Board accepts a director's resignation pursuant to this policy, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board may fill the resulting vacancy pursuant to the Company's bylaws.

In addition, pursuant to our Corporate Governance Guidelines, every director must notify the Board of his or her retirement, any change in employer, any other significant change in professional roles and responsibilities and any actual or potential conflict of interest. The Board shall determine the action, if any, to be taken.

Board Evaluation Process

The Nominating and Corporate Governance Committee coordinates an annual self-evaluation of the Board's performance as well as the performance of each committee of the Board. The full Board and each committee discuss the results. The self-evaluation includes having each director complete open-ended questionnaires designed to solicit candid feedback about the performance of the Board and each applicable committee, followed by an individual interview with each director conducted by the Lead Independent Director to discuss any additional feedback or perspectives. The Nominating and Corporate Governance Committee then reviews the results of the evaluations in private session with the Lead Independent Director, and reports the results to the full Board, including any areas in which the Board or management believes the Board can make a better contribution to the Company. The Nominating and Corporate Governance Committee also utilizes the results of this self-evaluation process in assessing and determining the characteristics and critical skills required of prospective candidates for election to the Board and making recommendations to the Board with respect to assignments of Board members to various committees.

Executive Sessions

At meetings of both the Board and the Board committees, the Company's independent directors meet in regular executive sessions in which members of management do not participate. These sessions typically occur in conjunction with regularly scheduled Board or committee meetings. The Lead Independent Director chairs executive sessions of the Board.

Stockholder Engagement

Why We Engage

We make a conscious effort to engage with our stockholders both during and outside of proxy season in order to have a better understanding of their perspectives on our Company.

How We Engage

We have a well-developed stockholder engagement program that facilitates year-round stockholder engagement through regular participation in investor conferences, quarterly earnings calls, press releases, and one-on-one meetings with both current stockholders and potential investors. As part of these ongoing outreach efforts, our Chairman, Lead Independent Director, and Chair of the Nominating and Corporate Governance Committee held several productive discussions with our largest institutional stockholders to engage on our Company's performance and relevant strategy updates as well as governance and sustainability related matters.

Topics Discussed

- Our business, financial and operating performance and strategies;
- Our corporate governance practices and executive compensation; and
- Our corporate sustainability efforts.

In our stockholder engagement efforts to date, stockholders have given us feedback on a number of topics, including:

- Executive Compensation: In response to the positive feedback we continue to receive from stockholders regarding our Say on Pay proposal, we plan to continue proposing it on an annual basis. Additionally, stockholders have given us positive feedback on the level of disclosure in our CD&A, including our disclosure of how the externally managed model works and our relationship with the Advisor. For additional information about our engagement with stockholders focused on executive compensation, please see pages 30 31.
- **Board Composition**: As of the Annual Meeting, the Board consists of seven directors and is 86% independent. Stockholders continue to express positive feedback regarding our Board skills matrix, added in 2023, which identifies certain skills our Board believes are important when evaluating Board composition. As a result, we have again provided such disclosures in this proxy statement.
- Board Experience and Resources: Stockholders recognized the diverse experience and expertise our directors bring to the Board and expressed positive feedback on our commitment to ongoing education and training. These efforts ensure our Board remains well equipped to provide oversight to management.
- Corporate Governance and Sustainability: Stockholders appreciated the progress we made on a number of environmental and sustainability items in 2024, including publishing our inaugural Corporate Responsibility Report in the Fall which builds on our previously published Sustainability Accounting Standards Board ("SASB") disclosures. Stockholders noted that we should continue to lean on our relationship with Franklin Templeton to enhance our progress in this area.

Overview of FBRT's Structure as an Externally Managed REIT

FBRT is an externally-managed REIT, which means we have no employees and instead pay our Advisor, Benefit Street Partners L.L.C., to manage our business. As our Advisor, Benefit Street Partners is responsible for identifying, originating, acquiring, and managing investments on FBRT's behalf. In exchange, FBRT pays a fee of 1.5% of stockholders' equity as well as an annual subordinated performance fee of 1.5% of Total Return over a 6% per annum hurdle. The Board of Directors oversees FBRT and its relationship with the Advisor in order to protect the interests of FBRT stockholders. Our non-employee executive officers in 2024, Messrs. Byrne, Comparato and Baglien, are each employees of our Advisor and are compensated by the Advisor. The following chart summarizes our structure and is important context to have when analyzing our Say-on-Pay:

- Fee structure: 1.5% Equity + annual subordinated performance fee of 15% of Total Return over a 6% per annum hurdle
- ** As of December 31, 2024

The Company's Compensation Practices

We do not pay any cash compensation to our NEOs or employees of the Advisor. As employees of the Advisor, they are compensated by the Advisor. Pursuant to our 2021 Equity Incentive Plan, the Compensation Committee may, from time to time, grant awards consisting of restricted shares of our Common Stock, restricted stock units and/or other equity-based awards to qualified directors, officers, advisors, consultants, and other personnel, including the NEOs. These equity-based awards are generally subject to time-based vesting requirements. Since 2022, our Compensation Committee has approved annual equity awards to certain employees of the Advisor and its affiliates, including our NEOs.

Our Compensation Committee believes that its equity compensation practices align the long-term interests of the NEOs with those of our stockholders and encourage the retention of our NEOs' expertise and leadership, a benefit that is evidenced by the lack of turnover amongst our NEO population.

The Compensation Committee does not time the issuance of equity-based compensation awards in coordination with the release of material non-public information.

Role of Compensation Consultant

The Compensation Committee engaged F.W. Cook as its independent compensation consultant to assist the Compensation Committee in developing and evaluating the framework for issuing long-term equity-based awards to our NEOs and other personnel of our Advisor. At the time of F.W. Cook's engagement, the Compensation Committee reviewed F.W. Cook's independence and determined that F.W. Cook's work for the Compensation Committee did not raise any conflict of interest pursuant to applicable SEC and NYSE rules. F.W. Cook met with the Compensation Committee on several occasions in 2024 to advise on pay methodologies, award terms, peer practices and other compensation considerations.

Role of Management

The Compensation Committee is responsible for approving compensation for our NEOs, which as noted above, is limited to annual equity awards. The Compensation Committee considers the recommendations of the Company's Chief Executive Officer, Mr. Byrne, with respect to grants made to other NEOs and with respect to the size of the pool of awards allocated to the employees of the Advisor and its affiliates who provide services to the Company under the Advisory Agreement.

2024 Equity Grants

On February 1, 2024, the Compensation Committee approved the grant of an aggregate amount of 766,665 restricted stock units to employees of the Advisor and its affiliates who provide services to the Company under the Advisory Agreement. The aggregate amount approved included grants of 119,063, 118,865 and 75,472 restricted stock units to Messrs. Byrne, Comparato and Baglien, respectively. The restricted stock units, which were granted under the Company's 2021 Equity Incentive Plan, vest in equal annual installments beginning on the anniversary of the date of grant over a period of three years subject to continuing service. To the extent that ordinary cash dividends are paid to holders of shares of our Common Stock, outstanding restricted stock units are entitled to a corresponding cash dividend equivalent payment.

In determining the equity-based awards for 2023, the Compensation Committee did not apply any fixed metrics. Rather, the Compensation Committee took into consideration a range of factors, including financial performance measures such as absolute and relative total stockholder return and economic return, operational performance measures such as our origination volumes, the credit quality of the portfolio and strategic decisions including underlying asset type, loan type and geographic focus, as well as the individual performance of each of our NEOs.

Stockholder Engagement

We have a robust stockholder engagement program that considers our stockholder's perspectives and priorities. Reflective of their support, at our 2024 Annual Meeting, our Say on Pay proposal received approximately 85% support, an increase from the previous year. We attribute this improvement due to our comprehensive stockholder outreach efforts and compensation practices.

In line with our typical annual engagement efforts, we reached out to stockholders representing approximately 49% of outstanding stock. It is a core principle of our engagement program that we will meet with stockholders that express an interest in engagement, and we ultimately engaged with every investor who requested a meeting. Our Chairman, Lead Independent Director, and Chair of the Compensation Committee were made available to participate in all of these meetings.

As a Board that values and proactively seeks stockholder feedback, we take the results of our Say-on-Pay vote very seriously. Voting results and stockholder feedback are crucial to our continual assessment of our compensation programs, decisions, and policies. Our Compensation Committee actively reviews and approves our compensation practices bearing in mind stockholder feedback and voting results.

Our Compensation Practices & Disclosures Are Guided by Stockholder Feedback

FBRT's Board makes a concerted effort not only engage with stockholders, but also to apply feedback received regarding our compensation practices and related disclosure where practical. As such, below are ways in which we implement stockholder priorities which we believe are in their best interest and reflect their viewpoints and priorities:

What Is Important To Our Stockholders	How We Implement Stockholders' Priorities
Clarity around the portion of FBRT's management fee allocated to NEO compensation paid by Benefit Street Partners.	We disclose FBRT's relationship with its external Advisor, detailing how the Advisor oversees and performs our day-to-day management functions through its employees, including those employees that serve as our NEOs. Our NEOs are compensated by the Advisor and not by FBRT. The only compensation that FBRT issues to its NEOs and other employees of the Advisor is in the form of discretionary equity grants approved by the Board's Compensation Committee. For additional information, please see Our Advisor's Compensation of our NEOs, which begins on pg. 38.
Information regarding FBRT's structure as an externally- managed REIT and our relationship with Benefit Street Partners.	In last year's proxy, we included a graphic depicting the structure FBRT has as an externally-managed REIT, including our relationship with the Advisor and the role our Board plays in oversight of FBRT. As our external manager, the Advisor is responsible for identifying, originating, acquiring, and asset managing investments on our behalf. In return, we pay the Advisor an asset management fee and an annual subordinated performance fee.
	Our Board provides direct oversight of FBRT leveraging all 7 highly qualified Directors with diverse experiences and skillsets. Please see Overview of FBRT's Structure as an Externally Managed REIT, which is on pg. 32, for a graphic that more fully depicts the structure FBRT has as an externally managed REIT.
Information around the results of FBRT's retention efforts for its management team.	We recognize that a key component of our compensation program is to help attract, motivate and retain non-employee executive officers. In our disclosures in this proxy statement, we highlight that since FBRT's listing on the NYSE, we have seen zero turnover among our non-employee executive officers, an outcome at least partly driven by our strategic use of the equity incentive plan to retain and motivate key talent. We are proud of this track record to date and believe retention of key individuals is beneficial to the success of FBRT. For additional information, see The Company's Compensation Practices on pg. 32.

Our Advisor's Compensation of Our NEOs

As noted above, we currently have no employees and our Advisor, through its employees and employees of its affiliates, manages our affairs on a day-to-day basis and receives fees and expense reimbursements pursuant to the terms of the Advisory Agreement. As of December 31, 2024, the Advisor had 490 employees. Mr. Byrne, who serves as our Chief Executive Officer, also serves as President of the Advisor. Mr. Comparato, who serves as our President, also serves as a Managing Director and Head of Commercial Real Estate for the Advisor. Mr. Baglien, who serves as our Chief Operating Officer and Chief Financial Officer, also serves in the same capacity for the real estate division of the Advisor. Our Advisor is an investment advisor registered with the SEC that is a wholly-owned subsidiary of Franklin Resources, Inc.

There is no direct relationship between fees we pay the Advisor and compensation the Advisor pays our non-employee executive officers.

The Advisory Agreement does not require our non-employee executive officers to dedicate a specific amount of time to fulfilling our Advisor's obligations to us under the Advisory Agreement and does not require a specified amount or percentage of the fees paid to the Advisor to be allocated to our NEOs. Our Advisor has informed us that it does not compensate its employees specifically for such services because these individuals also provide investment management and other services to other investment vehicles that are sponsored, managed or advised by the Advisor and its affiliates and that, therefore, it cannot quantify compensation to our NEOs specifically attributable to their services to us. The total compensation of our NEOs reflects the performance of all the Advisor's investment vehicles for which these individuals provide services, including, but not limited to, us.

We do not have any influence over the amount of compensation the Advisor pays our NEOs.

Our independent compensation committee determines the annual equity grants we make to our NEOs and the pool of grants available for other Advisor employees that provide services to us, but we have no influence over the compensation the Advisor pays its employees. Our Advisor determines the compensation it pays and benefits it offers to its employees that also serve as our executive officers. We do not have employment agreements with our executive officers, we do not provide pension or retirement benefits, perquisites or other personal benefits to our executive officers and we do not have arrangements to make payments to our executive officers upon their termination or in the event of a change in control of the Company.

Our Advisor and its affiliates compensate their employees, including our NEOs, in accordance with the Advisor's compensation policies and practices. The compensation of senior employees at the Advisor, including our NEOs, consists of all or substantially all of the following components: a fixed annual base salary and several variable performance-based compensation elements including: (i) an annual cash bonus payment based on the performance of the Advisor and of the NEO, (ii) an allocation of carried interest, the payment of which is based on the performance of investment funds managed by the Advisor, (iii) equity awards representing shares of Franklin Resources, Inc. common stock, and (iv) various employee benefit plans and programs.

For 2024, our NEOs' compensation paid by the Advisor, in the aggregate, was apportioned 17% to fixed compensation and 83% to variable performance-based compensation. Our Advisor did not utilize any fixed performance metrics to determine the amount of variable compensation payable to our NEOs in 2024, but rather considered a range of various factors, including but not limited to the performance of the NEOs, the performance of the applicable business functions for which the NEOs are primarily responsible, the performance of our Common Stock, market conditions, growth in our business and the credit quality of our investment portfolio.

The Advisor has not disclosed to us the total amount of compensation the Advisor pays to our NEOs and we are not contractually entitled to such information. However, given we have no influence over the amount of such compensation and that such compensation relates to services unrelated to us, the Compensation Committee does not consider such information to be useful to the Board or our stockholders.

We annually assess the risks associated with the Advisor's compensation policies and practices.

While, as discussed above, we do not influence the amount of compensation the Advisor pays its employees who provide services to us, our Compensation Committee does, on an annual basis, review and assess the risks of the Advisor's compensation policies and practices to the Company. As part of this assessment, the Compensation Committee reviews with the Advisor such policies and practices, including the forms of compensation, the percentage of compensation that is variable and fixed and the structure of incentive compensation. The Compensation Committee also considers the effectiveness of the Advisor's policies and practices in retaining key employees. Since taking over as the Advisor in 2016, the Company has not experienced any turnover in its executive officers.

Executive Officer Stock Ownership Policy

In November 2022, the Nominating and Corporate Governance Committee adopted stock ownership guidelines applicable to the Company's executive officers in order to further align the long-term interests of our executive officers with those of our stockholders. Further details on our executive stock ownership policy can be found on page 23.

Compensation Recovery Policy

The Compensation Committee maintains a compensation recovery policy pursuant to which the Company must seek to recover incentive-based compensation from senior executives in the event the Company is required to prepare an accounting restatement due to material noncompliance of the Company with any financial reporting requirement under the securities laws (including any required accounting restatement to correct an error in previously issued financial statements that is material to the previously issued financial statements, or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period).

The policy requires the Company to recover reasonably promptly the amount of incentive compensation received by senior officers that exceeds the incentive compensation that would have been received taking into account the accounting restatement, regardless of whether the restatement is due to any fault or misconduct on the part of the officer. The policy complies with, and will be interpreted and administered in a manner consistent with, all applicable laws and regulations, including without limitation, Section 303A.14 of the NYSE Listed Company Manual and Rule 10D-1 of the Exchange Act.

No Perquisites or Other Benefits

Because the Company does not pay the compensation of our NEOs (besides the annual equity award), the Company does not provide any perquisites or other employee benefits to our NEOs.

However, pursuant to the restricted stock unit award agreements that we entered into with our named executive officers in 2024, 2023 and 2022, our named executive officers are entitled to vest in such awards in the event of a qualifying termination pursuant to the NEOs' death or disability, or in certain circumstances in connection with a change of control of the Company. - (3) In the event that the NEO's service is terminated due to his or her death or disability, then all unvested restricted stock units will be immediately fully vested as of the date of the termination of service.
- (4) Under the terms of 2021 Equity Incentive Plan, upon a change of control (as defined in the Plan) in which awards are not assumed, all restricted stock units will be fully vested. Relationship of SEC CAP to Performance

As discussed in the "Compensation Discussion and Analysis" section above, when issuing equity-based awards, the Compensation Committee considers numerous factors including Company financial and operational performance and peer compensation practices. Thus, the Company's absolute and relative TSR, GAAP net income and Distributable Earnings are generally considered in determining annual grants. Restricted stock unit grants are subject to three-year time vesting. During the period the awards are unvested, the value of the awards will change based on changes in our stock price and grantees will benefit from dividend equivalents paid on such awards. The value of unvested awards are not directly impacted by changes in our GAAP net income or Distributable Earnings.

The following graphs illustrate the relationship during 2022-2024 of the CAP to our CEO and the average CAP to our other NEOs (each as set forth in the table above), to (i) our cumulative TSR and the cumulative TSR of the constituent companies in the FTSE Mortgage REIT Index, (ii) our GAAP net income, and (iii) Distributable Earnings (in each case as set forth in the table above).

Financial Performance Measures

The most important financial performance measures used by the Company in setting pay-for-performance compensation for the most recently completed fiscal year are described in the table below. The manner in which these measures, together with certain non-financial performance measures, determine the amounts of incentive compensation paid to our NEOs is described above in the "Compensation Discussion and Analysis" section.

The Advisor manages our day to day operations pursuant to the Amended and Restated Advisory Agreement, dated January 19, 2018, as amended August 18, 2021 (the "Advisory Agreement"). Our Advisor is responsible for identifying, originating, acquiring and asset managing investments on our behalf. Under the Advisory Agreement, the Advisor is entitled to an asset management fee equal to one and one-half percent (1.5%) of Equity (as defined in the Advisory Agreement) and an annual subordinated performance fee equal to fifteen percent (15%) of the Total Return (as defined in the Advisory Agreement) over a six percent (6%) per annum hurdle, subject to certain limitations. The Company or the Operating Partnership continues to pay directly or reimburse the Advisor for all the expenses paid or actually incurred by the Advisor in connection with the services it provides to the Company and the Operating Partnership pursuant to the Advisory Agreement, subject to certain limitations.

For the year ended December 31, 2024, pursuant to the terms of the Amended Advisory Agreement, the Company incurred total asset management and subordinated performance fees of \$26.0 million, reimbursements for administrative expenses and personnel costs of approximately \$9.7 million, acquisition expenses of \$1.0 million, and other related party expenses, primarily related to reimbursable costs incurred for the increase in loan origination activities, of approximately \$1.3 million.

Indemnification Agreements

We have entered into an indemnification agreement with each of our directors and officers providing for indemnification of such directors and officers consistent with the provisions of our Charter. No amounts have been paid by us pursuant to these indemnification agreements.

Preferred Stock Conversion Date

On January 10, 2024, and again on January 16, 2025, the Company and Security Benefit Life Insurance Company ("SBL"), the sole holder of the shares of the Company's Series H Preferred Stock, agreed to extend the mandatory conversion date for the Series H Preferred Stock, which was set to occur on January 21, 2025, to January 21, 2026. In addition, SBL has the right to convert up to 4,487 shares of Series H Preferred Stock one time in each calendar month through December 2025, upon 10 business days' advance notice to the Company.

The Company received no consideration for the amendments, except that SBL agreed to reimburse the Company for the expense of maintaining a rating for the Series H Preferred Stock instrument from a ratings agency.

Certain Conflict Resolution Procedures

Every transaction that we enter into with our Advisor or its affiliates will be subject to an inherent conflict of interest. Our Board of Directors may encounter conflicts of interest in enforcing our rights against any affiliate in the event of a default by or disagreement with an affiliate or in invoking powers, rights or options pursuant to any agreement between us and our Advisor or any of its affiliates.

In order to reduce or eliminate certain potential conflicts of interest, our Nominating and Corporate Governance Committee charter contains a number of requirements, including that:

- the committee shall review and evaluate the terms and conditions of, and determine the advisability of, any related party transaction;
- unless the Board appoints a special committee of independent directors to negotiate any related party transaction, the
 committee shall negotiate the terms and conditions of any related party transaction and, if the committee deems
 appropriate but subject to the limitations of applicable law, shall recommend to the Board the execution and delivery of
 documents in connection with any related party transaction on behalf of the Company;
- the committee shall determine whether any related party transaction is fair to, and in the best interest of the Company;
- the committee shall recommend to the Board what action, if any, should be taken by the Board with respect to any related party transaction pursuant to the Company's Charter;
- the committee shall review, evaluate and approve of any potential conflicts brought to its attention and shall report the results of its consideration of any such conflict to the Board; and
- the committee shall review, on a quarterly basis, the services provided by the Advisor, the reasonableness of the Advisor's or its affiliates' fees and expenses, the reasonableness of the Company's expenses and the allocation of expenses among the Company and its affiliates and among accounting categories, and report its findings to the Board.

These responsibilities have also been codified in the Related Party Transactions Policy adopted by our Nominating and Corporate Governance Committee. Pursuant to the Related Party Transactions Policy, all related party transactions (as defined by Item 404(a) of Regulation S-K) must be approved by either the Nominating and Corporate Governance Committee or a majority of the disinterested members of the Board. As a general rule, any director who has a direct or indirect material interest in such related party transaction should not participate in the Nominating and Corporate Governance Committee or Board action regarding whether to approve the transaction. Any payment of fees and reimbursements to the Advisor pursuant to and in accordance with the Advisory Agreement are deemed to have been approved in accordance with the Related Party Transactions Policy.

Our independent directors have determined that all our transactions and relationships with our Advisor and their respective affiliates during the year ended December 31, 2024, were fair and were approved in accordance with the applicable Company policies.

PROPOSAL NO. 2—APPROVAL OF AN AMENDMENT TO OUR CHARTER TO ELIMINATE SUPERMAJORITY VOTING REQUIREMENTS

Summary of Proposal

The third sentence of Section 6.2 of our Charter currently provides that the approval of not less than two-thirds of the shares then outstanding and entitled to vote is required to approve the removal of one or more of our directors for cause.

Article XI of our Charter currently provides that stockholder approval of an amendment to the Charter requires the approval of a majority of the shares then outstanding and entitled to vote thereon, except for an amendment to the third sentence of Section 6.2 or to Article XI of our Charter, which, in each case, requires the approval of not less than two-thirds of the shares then outstanding and entitled to vote.

Our Board believes that these supermajority voting requirements are no longer consistent with governance best practices and, accordingly, believes eliminating them from the Charter is in the best interests of the Company and its stockholders. On February 13, 2024, our Board adopted a resolution approving and declaring advisable a proposal to amend Section 6.2 and Article XI of our Charter to eliminate these supermajority voting requirements.

The effect of this amendment if approved by stockholders will be that stockholder approval to (1) remove our directors for cause, (2) amend the director-removal provision of our Charter, and (3) amend the amendment provision of our Charter, in each case, will only require the approval of a majority of the shares then outstanding and entitled to vote on the matter. The Board will continue to be required to approve and declare advisable any Charter amendment.

If stockholders approve this proposal, the amendment to the Charter will become effective upon the filing of an articles of amendment with the Maryland Department of Assessments and Taxation, which we anticipate doing as soon as practicable following stockholder approval.

Text of Amendment

As proposed to be amended, the text of Section 6.2 and Article XI would read as follows (deletions are indicated by strikeouts, and additions are indicated in bold):

- SECTION 6.2 RESIGNATION OR REMOVAL. Any Director may resign by delivering notice to the Board, the Chairman of the Board, the chief executive officer or the Secretary. Any notice of resignation shall take effect upon receipt by the Board, the Chairman of the Board, the Chairman of the Board, the Chief Executive Officer or the Secretary of such notice or upon any future date specified in the notice. Subject to the rights of holders of one or more classes or series of Preferred Shares, any Director or the entire Board may be removed from office at any time but only for cause, and then only by the affirmative vote of Stockholders entitled to cast at least two thirds a majority of the votes entitled to be cast generally in the election of Directors. For the purpose of this paragraph, "cause" shall mean, with respect to any particular Director, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such Director caused demonstrable, material harm to the Company through bad faith or active and deliberate dishonesty.
- ARTICLE XI. AMENDMENTS. The Company reserves the right from time to time to make any amendment to its Charter, now or hereafter authorized by law, including any amendment altering the terms or contract rights, as expressly set forth in the Charter, of any outstanding Shares. All rights and powers conferred by the Charter on Stockholders, Directors and officers are granted subject to this reservation. Except as otherwise provided in the next sentence and except for those amendments permitted to be made without Stockholder approval under Maryland law or by specific provision in the Charter, any amendment to the Charter shall be valid only if declared advisable by the Board and approved by the affirmative vote of Stockholders entitled to cast a majority of all the votes entitled to be cast on the matter. However, any amendment to the third sentence of Section 6.2 hereof or to this section of the Charter shall be valid only if declared advisable by the Board and approved by the affirmative vote of Stockholders entitled to cast at least two-thirds of all votes entitled to be cast on the matter.

PROPOSAL NO. 3—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected and appointed PricewaterhouseCoopers LLP ("PWC") as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2025. PwC has been our independent registered public accounting firm since 2023.

Change in our Certifying Accountant in 2023

On May 31, 2023, the Audit Committee engaged PwC as the Company's independent registered public accounting firm for the Company's fiscal year ended December 31, 2023. PwC replaced Ernst & Young LLP ("EY"), the Company's independent registered public accounting firm for the fiscal year ended December 31, 2022. EY was notified of this decision on May 31, 2023.

The audit report of EY on the consolidated financial statements of the Company for the fiscal year ended December 31, 2022 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal year ended December 31, 2022 and in the interim period between December 31, 2022 and May 31, 2023, (i) there were no "disagreements" as that term is defined in Item 304(a)(I)(iv) of Regulation S-K and the related instructions, between the Company and EY on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference to the subject matter of the disagreements in its reports on the consolidated financial statements for such years, and (ii) there were no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal year ended December 31, 2022 and in the subsequent interim period between December 31, 2022 and May 31, 2023, the Company did not consult with PwC regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K, including (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided to the Company that PwC concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Ratification of Appointment of Independent Registered Public Accounting Firm

Although ratification by stockholders is not required by law or our bylaws, the Audit Committee believes that submission to stockholders of PwC's appointment as the Company's independent registered public accounting firm for the year ending December 31, 2025, is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders. If our stockholders do not ratify the appointment of PwC, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent registered public accounting firms.

A representative of PwC is expected to attend the Annual Meeting with the opportunity to make a statement and/or respond to appropriate questions from stockholders present at the meeting.

The following table shows the fees billed by PwC for the years ended December 31, 2024 and December 31, 2023, and EY for the year ended December 31, 2023 for each of the following categories of services:

		2024		2023
Audit Fees(1)	\$2,	255,000	\$3	3,072,655
Audit-Related Fees ⁽²⁾	\$	0	\$	0
Tax Fees ⁽³⁾	\$	0	\$	492,056
All Other Fees ⁽⁴⁾	\$	2,160	\$	972
Total	\$2,	257,160	\$3	3,565,683

- (1) Audit fees relate to audits of the Company's annual consolidated financial statements and reviews of the Company's quarterly consolidated financial statements, comfort letters, and consents related to SEC registration statements. Includes the aggregate fees recognized in each of the last two fiscal years for professional services rendered by PwC or EY (2023 only) for the audit of the Company's annual financial statements and the review of financial statements included in Forms 10-Q and Forms 10-K.
- (2) Audit-Related fees relate to assurance and related services that are traditionally performed by the independent registered public accounting firm and includes due diligence and debt compliance reporting. Includes the aggregate fees recognized in each of the last two fiscal years for professional services rendered by PwC or EY (2023 only). For both 2024 and 2023, we were not billed audit-related fees by PwC or EY.
- (3) Tax fees primarily relate to preparation of tax returns, assistance with federal and state income tax filing calendar, compliance services, tax planning and modeling services, assistance with tax audits, tax advice related to mergers, and routine on-call tax services concerning issues, as requested by the Company, when such projects are not covered by a separate agreement and do not involve any significant tax planning or projects. The Company did not incur tax fees from PWC in 2024. 2023 includes the aggregate fees recognized for professional services rendered by EY.
- (4) Other fees relate to an annual subscription for a license for financial statement disclosure research billed by PwC.

Pre-Approval Policies and Procedures

In accordance with our Audit Committee's Audit and Non-Audit Services Pre-Approval Policy, all audit and non-audit services performed for us by our independent registered public accounting firm were pre-approved by the Audit Committee of our board of directors, which concluded that the provision of such services by PwC was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The Audit and Non-Audit Services Pre-Approval Policy provides for categorical pre-approval of specified audit and permissible non-audit services. Services to be provided by the independent registered public accounting firm that are not within the category of pre-approved services must be approved by the Audit Committee prior to engagement, regardless of the service being requested or the dollar amount involved.

The Audit Committee must provide separate pre-approval of engagements for the performance of audit and non-audit services if (i) the type of service to be provided by the independent auditor has not received pre-approval as specifically set forth in the Audit and Non-Audit Services Pre-Approval Policy or (ii) the performance of such service would cause the aggregate annual fee, as applicable, to exceed the maximum fee level established for such type of service by the Audit Committee; provided that the Audit Committee determines that the provision of such services will not impair the auditors' independence.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate to management its responsibilities to pre-approve services to be performed by the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2025.

PROPOSAL NO. 4—ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A(a)(1) of the Exchange Act and related rules of the SEC, the below resolution provides our stockholders an opportunity to approve, on an advisory (non-binding) basis, the compensation of our NEOs as disclosed in this proxy statement pursuant to the SEC's executive compensation disclosure rules. This proposal, commonly known as the "say-on-pay" proposal and vote, is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the philosophy, policies and practices described in this proxy statement.

As described in the "Compensation Discussion and Analysis" section of this proxy statement, we are externally managed and advised by our Advisor pursuant to our Advisory Agreement. Our NEOs are employees of our Advisor, and we have no employees. Because our Advisory Agreement provides that our Advisor is responsible for managing our affairs, our NEOs do not receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, we do not have any agreements with any of our NEOs with respect to their cash compensation and do not intend to directly pay any cash compensation to them.

In 2024, we granted restricted stock units to our NEOs pursuant to our 2021 Equity Incentive Plan, which we believe serve to align the interests of our NEOs and our Advisor with the long-term interests of our stockholders.

We do not determine the compensation payable by our Advisor or any of its affiliates to our NEOs. Our Advisor and its affiliates determines the salaries, bonuses and other wages earned by our NEOs that are paid or granted by our Advisor and its affiliates. Our Advisor and its affiliates also determine whether and to what extent our NEOs will be provided access to employee benefit plans.

This proposal gives our stockholders the opportunity to express their views on the overall compensation of our NEOs provided by us and the philosophy, policies and practices described in this proxy statement. For the reasons discussed above, we are asking our stockholders to indicate their support for the compensation paid by us to our NEOs by voting "FOR" the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, compensation tables and any related material disclosed in this proxy statement).

Approval of the proposal requires the affirmative votes of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will count toward the presence of a quorum but are not considered to be votes "cast" and will have no effect on the proposal.

While this say-on-pay vote is advisory and non-binding, the Board of Directors and the Compensation Committee of the Board, which is comprised of independent directors, value the opinions expressed by our stockholders and will consider the outcome of this say-on-pay vote when making future compensation decisions regarding the NEOs. We expect that the next say-on-pay vote will occur at the 2026 annual meeting of stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Stockholder Proposals in the Proxy Statement

Rule 14a-8 under the Exchange Act addresses when a company must include a stockholder's proposal in its proxy statement and identify the proposal in its form of proxy when the Company holds an annual or special meeting of stockholders. - 2. as to any other business that the stockholder proposes to bring before the meeting,
 - a description of the business to be brought before the meeting;
 - the reasons for proposing such business at the meeting; and
 - any material interest in such business that the proposing stockholder (and certain persons, which we refer to as "Stockholder Associated Persons" (as defined below), if any) may have, including any anticipated benefit to the proposing stockholder (and the Stockholder Associated Persons, if any); and
- 3. as to the proposing stockholder (and the Stockholder Associated Persons, if any), the class, series and number of all shares of stock of the Company owned by the proposing stockholder (and the Stockholder Associated Persons, if any), and the nominee holder for, and number of, shares owned beneficially but not of record by the proposing stockholder (and the Stockholder Associated Persons, if any); and
- 4. as to the proposing stockholder (and the Stockholder Associated Persons, if any) covered by clauses (2) or (3) above,
 - the name and address of the proposing stockholder (and the Stockholder Associated Persons, if any) as they appear on the Company's stock ledger, and current name and address, if different; and
- 5. to the extent known by the proposing stockholder, the name and address of any other stockholder supporting the director nominee or the proposal of other business on the date of the proposing stockholder's notice.

Appendix

Distributable Earnings is a non-GAAP measure, which the Company defines as GAAP net income (loss), adjusted for (i) non-cash CLO amortization acceleration and amortization over the expected useful life of the Company's CLOs, (ii) unrealized gains and losses on loans and derivatives, including CECL reserves and impairments, net of realized gains and losses, as described further below (iii) non-cash equity compensation expense, (iv) depreciation and amortization, (v) subordinated performance fee accruals/(reversal), (vi) realized gains and losses on debt extinguishment and CLO calls, and (vii) certain other non-cash items.

As noted above, we exclude unrealized gains and losses on loans and other investments, including CECL reserves and impairments, from our calculation of Distributable Earnings and include realized gains and losses. The nature of these adjustments is described more fully in the footnotes to our reconciliation tables. GAAP loan loss reserves and any property impairment losses have been excluded from Distributable Earnings consistent with other unrealized losses pursuant to our existing definition of Distributable Earnings. We expect to only recognize such potential credit or property impairment losses in Distributable Earnings if and when such amounts are deemed nonrecoverable upon a realization event. This is generally at the time a loan is repaid, or in the case of a foreclosure or other property, when the underlying asset is sold. Amounts may also be deemed non-recoverable if, in our determination, it is nearly certain the carrying amounts will not be collected or realized. The realized loss amount reflected in Distributable Earnings will generally equal the difference between the cash received and the Distributable Earnings basis of the asset. The timing of any such loss realization in our Distributable Earnings may differ materially from the timing of the corresponding loss reserves, charge-offs or impairments in our consolidated financial statements prepared in accordance with GAAP.

The Company believes that Distributable Earnings provides meaningful information to consider in addition to the disclosed GAAP results. The Company believes Distributable Earnings is a useful financial metric for existing and potential future holders of its common stock as historically, over time, Distributable Earnings to Common has been an indicator of common dividends per share. As a REIT, the Company generally must distribute annually at least 90% of its taxable income, subject to certain adjustments, and therefore believes dividends are one of the principal reasons stockholders may invest in its common stock. Further, Distributable Earnings helps investors evaluate performance excluding the effects of certain transactions and GAAP adjustments that the Company does not believe are necessarily indicative of current loan portfolio performance and the Company's operations and is one of the performance metrics the Company's board of directors considers when dividends are declared.

Distributable Earnings does not represent net income (loss) and should not be considered as an alternative to GAAP net income (loss). The methodology for calculating Distributable Earnings may differ from the methodologies employed by other companies and thus may not be comparable to the Distributable Earnings reported by other companies.

- (1) Before Q1 2024, we adjusted GAAP income for non-cash CLO amortization acceleration to effectively amortize the issuance costs of our CLOs over the expected lifetime of the CLOs. We assume our CLOs will be outstanding for approximately four years and amortized the financing costs over approximately four years in our distributable earnings as compared to effective yield methodology in our GAAP earnings. Starting in Q1 2024, we amortized the issuance costs incurred on our CLOs over the expected lifetime of the CLOs in our GAAP presentation, making our previous adjustment no longer necessary.
- (2) Represents unrealized gains and losses on (i) commercial mortgage loans, held for sale, measured at fair value, (ii) other real estate investments, measured at fair value and (iii) derivatives.
- (3) Represents accrued and unpaid subordinated performance fee. In addition, reversal of subordinated performance fee represents cash payment obligations during the period.
- (4) Represents amounts deemed nonrecoverable upon a realization event, which is generally at the time a loan is repaid, or in the case of a foreclosure or other property, when the underlying asset is sold. Amounts may also be deemed non-recoverable if, in our determination, it is nearly certain the carrying amounts will not be collected or realized upon sale. Amount may be different than the GAAP basis. As of December 31, 2024, the Company has \$11.9 million of GAAP loss adjustments that would run through distributable earnings if and when cash losses are realized.
- (5) Represents loan workout charges the Company incurred, which the Company deemed likely to be recovered. Reversal of loan workout charges represent recoveries received. During the second quarter of 2023, the Company recovered \$5.1 million of loan workout charges, in aggregate, related to the loan workout charges incurred in 2022.
- (6) Represents the average of all classes of equity except the Series E Preferred Stock.
- (7) Fully Converted assumes conversion of our series of convertible preferred stock and full vesting of our outstanding equity compensation awards.
