Rule The Water And Live Larger In The Revolutionary New Malibu M235--The One You've Been Waiting For

Introducing Malibu's new M235, designed to be nothing less than the most ultra-premium performance towboat the world has ever seen. (It also holds the distinction of being the boat that garnered Malibu an invitation to the United States Naval Academy.)

LOUDON, Tenn., Nov. 23, 2015 /PRNewswire/ -- Malibu is pleased to announce the launch of the revolutionary new M235, the boat that garnered Malibu an invitation to the United States Naval Academy.

Developed in utmost secrecy, Malibu's new M235 was designed to be nothing less than the most ultra-premium performance towboat the world has ever seen, built as the first in a new line that gives you the edge on the water anywhere, every time. Given completely free rein, our design and engineering crews loaded this extra-deep, 23-foot-5-inch machine with every single one of Malibu's unique, revolutionary innovations, including our Integrated Surf Platform and the most luxurious interior and advanced helm in the industry.

Unprecedented luxury and performance. A perfect blend of beauty and power. This is the new M235, the new alpha, the ultimate expression of the state of the art. For this extraordinary boat, our design, engineering, and athlete teams worked hand in hand to deliver a seamless alignment of power, luxury, innovation, and performance, making the M235 without equal on the water.

Malibu CEO Jack Springer says, "There's no doubt about it. Tasked with developing the ultimate in performance and luxury, our team of product experts really delivered. The new M235 is absolutely incredible. It's an instant classic designed for the uncompromising customer who wants nothing but the best of the best in life. The result is a once-in-a-lifetime boat beyond comparison, whether it's at the dock or pulling the world's best wakeboarders and -surfers. Our Malibu Pro Team athletes are fighting over the M235, which is what we knew would happen. I can't blame them. This is the boat of everybody's dreams."

Coming standard on the M235 is everything. It's built to be fully loaded with the finest, most advanced watersports technology on the planet. No other manufacturer can offer anything like Malibu's exclusive, patent-protected Power Wedge II. Our revolutionary hydraulic hydrofoil works with our engineered hull designs, hydraulic Surf Gate, Quad Hard Tank Ballast, Plug 'n' Play ballast, and Surf Band as part of Malibu's peerless Integrated Surf Platform, or ISP, to give you the ultimate watersports experience.

The new alpha is here. A new gold standard has been set.
