Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During the calendar year 2021, Alcoa Corporation declared and paid distributions to the common shareholders that should be treated as return of capital as follows:

Record Date	Payable Date	Rate per Share	% of distribution treated as return of capital
10/29/2021	11/19/2021	\$0.10000	100%

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The return of capital distributions will reduce the shareholder's tax basis in each share by the amount of the distribution on the date of the distribution.

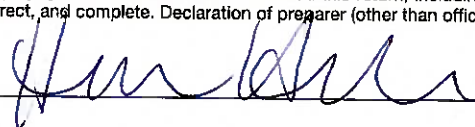

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ The distributions declared and paid (as described above) exceeded current and accumulated earnings and profits and were treated as return of capital.

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ► IRC § 301(c)(2) and IRC § 316(a)

18 Can any resulting loss be recognized? ► No loss may be recognized for the return of capital distributions. The shareholder's cost basis should be adjusted to reflect the return of capital distributions, which may affect the gain or loss realized upon disposition of the shares.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ► The organizational actions are reportable with respect to 2021.
