NEWS RELEASE

Branham Ranks Mitel #1 In Canada's Top Mobile Tech Companies List

6/2/2016

- Mitel's mobile innovations include the first commercial voice over LTE launch
- Mitel technology also powered the first voice over Wi-Fi launches on three continents
- Forty-seven of the top 50 economies in the world trust Mitel mobile solutions

Mitel® (Nasdaq:MITL) (TSX:MNW), a global leader in real-time business, cloud and mobile communications, made a strong showing in this year's Branham300 securing the #1 position on the list of **Top 10 Canadian Mobile Technology Companies** further demonstrating the role Mitel's mobile business plays in serving as a growth engine for the organization.

The Branham300, now in its 23rd year, is the best-known and most widely-referenced listing of Canada's top public and private ICT companies, ranked by revenue. In addition to taking the top spot in mobile, Mitel ranked #5 on the list of **Top 25 Canadian Software Companies** and came in at #15 on the list of **Top 250 Canadian ICT Companies**.

Quotes

"Mobility is inspiring the way we connect and increasingly influencing the design of communications solutions," said BG Kumar, President, Mitel Mobile Division. "Over the last few years, Mitel has been assembling the pieces - mobile, cloud and enterprise - to ultimately eliminate barriers and make seamless communications and collaboration a reality. The continued growth of our mobile business and top ranking in the Branham list reflect how clearly our

strategy is resonating."

Important Facts

- Customers of Mitel include more than 12 of the top 20 mobile carriers in the world.
- Mitel also powers VoLTE/ VoWiFi services in 18 countries.
- Visit Mitel at **Mobile World Congress Shanghai** in Hall N2 Stand A44.
