- Frontier Communications in the U.S.
- Allstream Inc. in Canada
- Telealpha in Brazil
- Cable and Wireless Communications in the Caribbean
- Sictel in Mexico
- S-TICS in the Rest of Latin America

Mitel's partner award recipients also included Rookie of the Year, Cloud Specialist of the Year, MiExclusive Business Partner of the Year and Contact Center Specialist of the Year. View the **full list of award winners.**

"Mitel partners share our vision for putting our customers first and providing innovative business communications solutions that help them run their business and grow. Our partners play a critical role in powering the connections that drive business and we are honored to recognize their outstanding contribution to creating customer success," said Joe Vitalone, Mitel's executive vice president for the Americas. "All award recipients exceeded expectations. In addition to our top revenue performers, we were particularly impressed by the commitment of our partners who

have helped Mitel become the industry's fastest growing provider of cloud business communications - both public and private."

Mitel's Americas Partner Awards recognize performance from January 1, 2014 to December 31st 2014.
