Showcases highest-achieving channel partners of the past year in the region

Mitel®, a global leader in business communications, today announced the winners of its annual Partner Awards for the International region. Award recipients, chosen for outstanding performance, were honored at a ceremony in Amsterdam during the company's flagship event, Mitel Next.

Top honors were given to the following partners:

- Cloud Partner of the Year – Azentro, Australia
- Collaboration Partner of the Year – Orange Business Services, France
- Contact Centre Partner of the Year – Olive Communications, UK
- Government Partner of the Year – Telenor Sverige AB, Sweden
- Healthcare Partner of the Year – Hofer Nachrichtentechnik, Germany
- Hospitality Partner of the Year – Triple C, Lebanon

"This year's award winners exemplify the pivotal advisory role our partners play in guiding customers to the right communications and collaboration solution for their needs - no matter where they are on their journey to the cloud," said Jeremy Butt, Senior Vice President, International, Mitel. "The companies honored today have built trusted, long-standing relationships with Mitel. We are looking forward to continuing our success together as we

help businesses find new ways to operate more efficiently and effectively."
