Mitel Global Partner Awards Celebrate Standout Performances for the International Region in 2020

2/25/2021

UK winners rise to the occasion, helping customers navigate an unpredictable year

Mitel®, a global leader in business communications, celebrated the winners of its annual Global Partner Awards during a special virtual ceremony at the company's 2021 Mitel Next partner event. Recipients for the UK were recognised for their contributions to supporting customers at a time when many organisations were faced with operational and business continuity challenges due to COVID-19.

Winners of this year's awards served as MVPs for their customers, enabling them to quickly adapt and pivot. For the UK, winners included the following Mitel partners:

- MiCloud Flex Partner of the Year — Aqura – Australia
- MiCloud Connect Partner of the Year — PepNet – Australia
- Hospitality Partner of the Year — The Company – Germany
- Contact Center Partner of the Year — Avalon – Israel
- SWA Partner of the Year — CSP – Turkey
- Distribution Partner of the Year — Westcon – International
- Healthcare Partner of the Year — Zetacom – Netherlands
- Cloud Partner of the Year — Opus Telecoms – UK

- Service Provider Partner of the Year — British Telecom – UK
- Government Partner of the Year — Airbus DS – France
- Collaboration Partner of the Year — Orange Business Services – France
- Rising star Partner of the Year — Maticmind – Italy

“The circumstances of 2020 accelerated the need for digital transformation far beyond what we could have imagined and our partners worked shoulder to shoulder with customers to not only weather those early days of the pandemic, but to modernize their technology to drive positive business outcomes through more effective communications and collaboration capabilities,” said Scott Peterson, Chief Revenue Officer, Mitel. “We applaud their achievements across a diverse range of categories and solutions from cloud to on-premises. Congratulations to these well-deserving partners and thank you for showing what it means to be ‘Strongest Together.’”
