NEWS RELEASE

Mitel Global Partner Awards Celebrate the Exceptional Performances of their Americas Channel Community

3/3/2022

Mitel, a global leader in business communications, celebrated the winners of its annual Global Partner Awards at the company's 2022 Mitel Next virtual partner event. Award winners were honored for their exceptional understanding of customer needs and ability to provide innovative and customized solutions to modernize their UC experience, enabling them to thrive in a changing world.

Winners for the Americas region include the following Mitel partners:

MiVoice Business Subscription Partner of the Year - **Barry Communications**

MiCloud Flex Partner of the Year - **Towner Electronics**

Contact Center Partner of the Year - **Marco Technologies LLC**

SWA Partner of the Year - **Marco Technologies LLC**

US Partner of the Year - **Vertical Communications**

Education Partner of the Year - **Eastern Datacom**

Government Partner of the Year - **Verteks Consulting**

Sourcewell Partner of the Year - **Marco Technologies LLC**

Hospitality Partner of the Year - **Cloud 5 Communications**

Healthcare Partner of the Year - **Bell Canada**

Canadian Partner of the Year - **Incotel-ISQ Inc**

“We are delighted to recognize the standout work of our partners who go above and beyond to help Mitel customers modernize, expand or transition their communications environment in a post-Covid world,” said Daren Finney, senior vice president, global channels of Mitel “In this booming UC market, our commitment is to continue to work closely with our extensive global partner community to enable them to play to their strengths and deliver value, trust, knowledge and experience to end customers. The quality of our relationship with partners is fundamental to successfully meeting the business communications needs of organizations throughout their communications journey.”
